Symbiosis International University

Chancellor's Message

Welcome to Symbiosis International University

You will be happy to know that SIU has been accredited by National Assessment and Accreditation Council (NAAC) which is an autonomous body of University Grants Commission (UGC) with highest Grade 'A'. This is a rare achievement of which all of us should be proud.

The undergraduate programmes of SIU will ensure you of bright future and empower you to pursue post graduate courses with confidence.

Wish you all the best in Symbiosis.

Dr. S. B. Mujumdar

Principle Director's Message

The Symbiosis Entrance Test (SET) is a test conducted by the Symbiosis International University's Test Secretariat to judge the aptitude of the student for particular Programmes.

This test is conducted in many cities for the convenience of students and parents too.

This one single test makes you eligible for all Under Graduate programmes of Symbiosis. I wish you all the best and welcome you to be a part of the Symbiosis family.

Dr. Vidya Yeravdekar

Vice Chancellor's Message

Symbiosis International University (SIU) is one of the most sought after destinations for Indian and international students, which has gained reputation for commitment to high quality learning and teaching. The beautiful sprawling 360 acres campus at Lavale, several campuses in Pune and other cities attract students from different regions, ethnicity and cultures and provide a vibrant and symbiotic ecosystem.

SIU is a forward–looking, globally competitive education enterprise where enquiry, investigation and innovation are encouraged and nurtured. The academic programmes aim at imparting interdisciplinary knowledge with a broader vision, compassion, value systems and critical awareness of national and global issues. With collaborative networks of several Universities from different parts of the world, SIU provides very conducive, interactive, inspiring environment to create true global citizens who are ready to contribute to their respective countries and humankind. SIU offers high quality academic programmes in contemporary disciplines of Management, Law, Computer Studies, Humanities and Social Sciences, Media, Communication and Design, Health Sciences and Engineering. The Symbiosis Innovation and Research Institute initiatives are mentored by Dr. R. A. Mashelkar and many other thought leaders, academicians, scientists and industrialists.

I invite you to experience, explore, learn, play, work and get motivated to meet the challenges to shape your career and future. I hope you will take full advantage to meet the challenges of the new exciting world. Welcome to the Symbiosis family!

Dr. Rajani Gupte

Symbiosis Entrance Test Overview

The Symbiosis Entrance Test (SET) is a common written test for the admission processes at the undergraduate institutes of Symbiosis International University established as under Section 3 of the UGC Act 1956 vide notification No.F.9.12/2001 U.3 of the Govt. of India. In the year 2002 there were 3 constituent institutes of SIU. Subsequently ten more iinstitutes of Symbiosis have been brought under the ambit of the Symbiosis International University vide notification No.F.9.12/2006-U.3 (A).

This is a mandatory written test for the admission process for the undergraduate programmes at the following Symbiosis institutes:-

1. Symbiosis Law School-**[SLS] - Pune**
2. Symbiosis Law School-**[SLS] – NOIDA**
3. Symbiosis Institute of Computers Studies and Research-**[SICSR]**
4. Symbiosis Centre for Management Studies-**[SCMS] – Pune**
5. Symbiosis Center for Media & Communication-**[SCMC]**
6. Symbiosis School of Economics-**[SSE]**
7. Symbiosis Centre for Management Studies-**[SCMS]-NOIDA**
8. Symbiosis Institute of Design-[**SID]**
9. Symbiosis School of Liberal Arts- **[SSLA]**
10. Symbiosis Law School **[SLS]** – **Hyderabad**
11. Symbiosis School of Culinary Arts - **[SSCA**]

The Symbiosis Institute of Technology (SIT) also admits students through JEE Main conducted at the national level.

However, SET is not mandatory for the following:

1) Symbiosis institute of Technology (SIT).
2) Symbiosis Institute of Health Sciences (SIHS).
3) Symbiosis College of Nursing (SCON).
4) Symbiosis School of Photography (SSP).
5) Symbiosis School for Liberal Arts (SSLA):- **(For International Baccalaureate (IB) students are exempt from SET)**

Note: Candidates who are applying to Symbiosis Institute of Technology (SIT) and Symbiosis Institute of Health Sciences (SIHS), Symbiosis School of Nursing (SCON), Symbiosis School for Liberal Arts (SSLA) [for IB students only] and for Symbiosis School of Photography (SSP) candidate should visit their websites for further details.

Candidate should note that SET is only the first step. Each Symbiosis institute has its independent selection process.

- The SET-2017 has 5 different papers:-, General, Design, Law, Engineering and Health Sciences.
- The test will be conducted in two sessions, morning and afternoon.
- A candidate may take more than one paper. However, he will have to choose one paper from the morning session and one paper from the afternoon session.

Session and Time	Paper	Institutes
Morning Session 9.30 am to 12.00 noon	**Law**	Symbiosis Law School **[SLS] - Pune** Symbiosis Law School **[SLS] -Noida** Symbiosis Law School **[SLS]- Hyderabad**
	Design	Symbiosis Institute of Design [**SID]**
Afternoon Session 2.30 pm to 5.00 pm	**General**	Symbiosis Institute of Computers Studies and Research **[SICSR]** Symbiosis Centre for Management Studies **[SCMS] - Pune** Symbiosis Center for Media & Communication **[SCMC]** Symbiosis School of Economics **[SSE]** Symbiosis Centre for Management Studies **[SCMS]-Noida** Symbiosis School for Liberal Arts **[SSLA]** Symbiosis School of Culinary Arts **[SSCA]**
	Engineering	Symbiosis Institute of Technology **[SIT]**
	Health Sciences	Symbiosis Institute of Health Sciences **[SIHS]** Symbiosis College of Nursing **[SCON]**

A candidate aspiring to pursue an undergraduate programme at Symbiosis should carefully follow the actions to be taken in 3 stages mentioned below:

Stage-1: SET Test

- Register online at www.set-test.org
- You may register for one paper in the morning (for example, **Law** or **Design),** and one paper in the afternoon session (for example, **Engineering,General or Health Sciences).**

   For Engineering and Health Sciences, if a candidate applies for seek admission on the basis of test other than SET, he/she need not register for SET; rather he/she may apply directly to the concerned institute.

- You need to upload your latest scanned photograph at the time of registration.
- Follow the instructions for payment of test fee of **Rs. 1500/-** on the SET Website.
- Print **"admit card"** directly from the SET Website from Saturday, April 22, 2017 onwards.
- Bring the admit card and a photo identity proof to the test centre. It will be authenticated during the Test. *(Candidates shall preserve the authenticated admit card till the admission processes of the desired Symbiosis institutes are over.)*
- ***If the admit card is lost, no duplicate admit card will be issued***.
- Appear for the test.

Stage-2: Pay online to the desired SIU institutes.

- Candidates can pay to an institute through the SET Website (www.set-test.org).
- To apply for admission to an institute, a candidate must select for the relevant SET paper.
  For example, to apply to Symbiosis Law School, pay for Law paper at SET.
- Candidates applying to Symbiosis Institute of Technology (SIT), Symbiosis Institute of Health Sciences (SIHS), Symbiosis College Of Nursing (SCON) with other than SET-2017.Score should refer to the respective institute Website and apply.

Stage-3: Attend further selection process of the chosen institutes, if invited.

- Each institute has its own cut-off score, as mentioned in the prospectus.
- The institutes will announce short-listed candidates for the purpose of further selection process.
- The institutes will announce the list of short-listed candidates and the waiting list.
- For learning the details of selection process and schedules, please refer to the Website of respective institute(s).

Important

- Whereas adequate care is taken to ensure that there are no mistakes while reading answer sheets through the scanning machine, there are no provisions or re-evaluation of answer sheets of candidates.
- The scores published by the Symbiosis Test Secretariat shall be final and shall not be subject to any appeal for revaluation.
- The SET score card will be available on the Website for a period of one month from the date of declaration of results, i.e., from Friday, May 19, 2017 to Tuesday, June 20, 2017.
- Those candidates who choose to pay through cash or DD, should ensure the following:

    1. Bank challan for cash payment, (Axis Bank/Indian Bank) or
    2. Demand Draft along with payment advice form for DD payment reaches Symbiosis Test Secretariat by April 26, 2016 at the following address:-

        Symbiosis Test Secretariat
        Symbiosis International University
        Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

    Symbiosis Test Secretariat will not be responsible for non-delivery or any delay on the part of courier/postal services.

- To complete the registration process, a candidates are required to register online for SET Test at www.set-test.org and appear for the test. It is also mandatory to complete the registration formalities by filling up the on-line application form of the preferred institute for preferred programme before the closing date for application for the institute.

SET Structure

a. **Duration:** The duration for SET is 150 minutes. Note that no extra time will be given for candidates who report late at the test centre.
b. The SET is an objective test.
c. **Papers**: The SET is conducted in two sessions for a total of FIVE question papers.
   A candidate may choose to apply for one paper in each session.
d. **Institutes**: The constituent institutes use scores of the following details for admission.
   The SET is an aptitude test and is objective in nature (for all the papers). Each question presents four options as answers. There is no negative marking for wrong answers.
   All sections are mandatory.

Session	SET Paper	No. of Sections	Applicable to Institute	Programme Offered
Morning Session	**Law**	5	**SLS:** Symbiosis Law School - Pune **SLS**: Symbiosis Law School- Noida **SLS**: Symbiosis Law School- Hyderabad	B.A.LL.B (Hons.) B.B.A.LLB (Hons.) B.A.LL.B B.B.A.LLB B.A.LL.B B.B.A.LLB

How to Register For SET – 2017?

Step 1. A candidate can register for one paper from the morning session; viz, **Law** or **Design** and one paper from the afternoon session; viz, **General** or **Engineering** or **Health Sciences** Register at www.set-test.org This will generate your SET ID.

For Engineering and Health Sciences, a candidate need not register for SET if he / she wishes to offer scores of entrance tests other than SET such as JEE(Main). Such candidates may apply directly to the preferred institute, this is also applicable for SSCA (Symbiosis School of Culinary Arts) score of NCHMCT-JEE is accepted

You must to upload your latest scanned photograph (in the required format and size) at the time of online registration.

Step 2. Pay a non-refundable fee of Rs. 1500/- towards the test fee

Candidates have the option of paying through any one of the following five (5) payment methods:

1. ONLINE PAYMENT THROUGH CREDIT CARD:

➢ You may pay directly through either Master or Visa card online. Follow the instructions given on the SET Website..

2. ONLINE PAYMENT THROUGH NET BANKING:

➢ You may transfer your SET test fee to Symbiosis Test Secretariat account using Net Banking option.

3. ONLINE PAYMENT THROUGH Paytm:

➢ You may transfer your SET test fee to Symbiosis Test Secretariat account using Paytm.

4. ONLINE PAYMENT THROUGH INDIAN BANK NET BANKING:

➢ You may pay your SET test fee to Symbiosis Test Secretariat account. You can also pay the application fee for various institutes through Indian Bank Internet Banking option.

5. CASH:

➢ This 'Payment Advice' form is presented in three parts. Pay **Rs. 1500/-** in cash at Axis Bank or Indian Bank branches in your city. Refer to the list of branches on the Website. The bank will return two parts of the 'payment advice' form to you. The 'student copy' is your receipt.

➢ Sign the Symbiosis copy of the '**Payment Slip'** form stamped by Axis Bank or Indian Bank and send it to:-

Symbiosis Test Secretariat
Symbiosis International University
Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

6. DEMAND DRAFT:

➢ Get a crossed demand draft for **Rs. 1500/-** from any Nationalized Bank in favour of **"Symbiosis Test Secretariat"** payable at Pune.

➢ Sign the single copy of the 'payment advice' for Demand Draft and send it along with Demand Draft to the Symbiosis Test Secretariat at,

Symbiosis Test Secretariat
Symbiosis International University
Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

The Symbiosis Test Secretariat will authenticate the payment details and will send you an email confirming the payment. Only after the payment is authenticated, would you be able to view your Admit card.

> *Note:*
> *Please note that Symbiosis Test Secretariat will not be responsible for non-delivery on any delay on the part of courier / postal services.*

It is also mandatory to complete registration by filling up the on line application form of desired institute for desired programme before the closing date of application of the respective institute.

The SET website allows a facility for payment towards online application for the institutes along with SET 2017 payment. The institutes are as follows:

- Symbiosis Law School **[SLS] - Pune**
- Symbiosis Institute of Computer Studies and Research **[SICSR]**
- Symbiosis Centre for Management Studies [**SCMS] - Pune**
- Symbiosis Institute of Health Sciences. **[SIHS]**
- Symbiosis Institute of Design **[SID]**
- Symbiosis Center for Media & Communication **[SCMC]**
- Symbiosis College of Nursing **[SCON]**
- Symbiosis School of Economics **[SSE]**
- Symbiosis Institute of Technology **[SIT]**
- Symbiosis Law School **[SLS] - NOIDA**
- Symbiosis Centre for Management Studies [**SCMS] – Noida**
- Symbiosis School for Liberal Arts **[SSLA]**
- Symbiosis Law School **[SLS]- Hyderabad**
- Symbiosis School of Culinary Arts – **[SSCA]**

Step 3. Important instructions regarding Admit Card

1. **The SET Test** Admit Card should be printed from the SET Website [**www.set-test.org**] which will be available from, Saturday, 22 April 2017 until Saturday, 6 May 2017.
2. Admit Card, along with Photo Identity proof, should be brought to the Test Centre at the time of the test. An acceptable photo identity is any one of the following;
   - Passport
   - Driving license
   - College/ Institute Identity Card
   - Credit card with photograph
   - Voter ID Card
   - Pan Card
   - AADHAR Card (UID)

3. Please ensure that your latest passport-sized coloured photograph is pasted on the Admit Card at the appropriate place before appearing for the test.

4. An authorized person from the Symbiosis International University will verify and authenticate your Admit Card against the photo-id on the test day. Please preserve this authenticated Admit Card for further PI-WAT processes.
5. Candidates should note that an authenticated Admit Card is an important document without which the candidate will not be permitted to appear for further selection processes at SIU. **If the Admit card is lost, a duplicate Admit Card will not be issued**. It should be retained till the admission process is over.

Important:

The SET registration fee and institute (s) programme registration payment are non-refundable. Please note that claims for refund of the **SET registration** fee as well as institute programme registration payment will not be entertained on any account.

At the time of filling the online application form or while appearing for the SET test, any attempt to impersonate or indulge in any other malpractice would automatically disqualify the candidate from admission processes at all under graduate institutes of Symbiosis International University and make the student liable to legal prosecution as per the laws of country.

Every student is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis institutes. Students are cautioned against falling prey to any such assurance/offer by any individual or outside agency.

Test Cities

SET test is conducted in 21 cities. A candidate may choose any one city. The centre and its address will be informed to the candidate on the admit card.

1. Ahmedabad
2. Bengaluru
3. Bhubaneshwar
4. Chandigarh
5. Chennai
6. Delhi
7. Gangtok
8. Hyderabad
9. Indore
10. Jaipur
11. Kochi
12. Kolhapur
13. Kolkata
14. Kota
15. Lucknow
16. Mumbai
17. Nagpur
18. Nashik
19. Noida
20. Pune
21. Shillong

*Symbiosis Test Secretariat reserves the right to change or allot a city other than the one requested by the candidate in the event of the requested city is not being available for any reason.

1. For the **Morning Session (Law and Design Test)**, reach the test centre latest by 8.45 a.m. The test will start at 9.30 a.m. Note that no extra time will be given for candidates who report late at the test centre.

2. For the **Afternoon Session** (**General, Engineering and Health Sciences Test),** reach the test centre latest by 1:45 p.m. The test procedure will start at 2:30 p.m. Note that no extra time will be given for candidates who report late at the test centre.

3. Bring the following to the Test Centre:

    a. The SET 2017 admit card: Candidates will not be allowed to appear for the test without the admit card.
    b. Photo identity: Bring any one of the following:

        ➢ Passport
        ➢ Driving license
        ➢ College/Institute identity card
        ➢ Credit card with photograph
        ➢ Voters ID card
        ➢ AADHAR Card (UID Card)

    c. Blue/Black ballpoint pen.

4. Cell phones, calculators, watch calculators, alarm clocks, digital watches with built in calculators/ memory and any other electronic gadgets will not be allowed in the examination hall.

5. Occupy the seat allotted to you by verifying the seat number written on the desk and indicated on your admit card.

6. The Test Invigilator will check your admit card.

7. The test invigilators will instruct you to open the seals of the test booklet 15 minutes before the start of the test.

8. Check immediately to ensure that all the pages of the booklet are in order. In the rare event of the test booklet being defective, bring it to the notice of the invigilator, who will arrange for replacement of test booklet if required.

9. You are not allowed to leave the hall until the test is over and the invigilator collects the Answer Sheets and Test Booklets. You will be allowed to leave the hall only after the Answer Sheets and Test Booklets of all the candidates in your hall have been collected and accounted for.

10. Candidates found using any unfair means will forfeit their chance of being considered for admission and will be debarred from receiving SET scores.

11. Invigilator or Symbiosis Test Secretariat representative will stamp and authenticate your admit card.

    *You are required to preserve this authenticated admit card for further selection processes at individual institutes. Duplicate admit card will not be issued in case original is lost by the candidate.

14	Symbiosis School of Culinary Arts [SSCA]	Bachelor of Science (Culinary Arts)

How to pay to Undergraduate Institutes of Symbiosis International University?

You may pay online/offline for admission to an undergraduate institute of the University. The fee is Rs. 1000/- per programme.

There are two options for payment for admission to an institute:

1. **Through the SET Website.**
   While paying SET fees online, a candidate may also pay the application fee for admission to the preferred institute.

   Even after closing of the payment for SET, a candidate may still apply through SET website.

2. **Through the institute Website**.

   However, SET registration and appearance for the test is mandatory.

   It is important to see that a candidate appears for the appropriate SET paper to seek admission.

   An institute may offer more than one programme. A candidate should ensure that the preferred programme is selected and paid.

   You **cannot** apply to an institute that does not accept the score of the test that you choose to give. For example, if you choose to give the **General** test only**,** you cannot apply to SLS. Similarly, if you choose to give the **Law** test only, you cannot apply to SSE or SCMS or SICSR.

   Similarly, you may give the Design test and the Engineering/ Health Sciences test and also apply to SID, SIT, SIHS and SCON.

   After declaration of the SET result, the institute to which you have applied will conduct further selection processes (PI-WAT) for short-listed candidates. The schedule for the same will be published on the Websites of the institutes.

   **Disclaimer: It is mandatory to attend all components / tests of PIWAT to be eligible for admission to any UG programmes. Only candidates who attend all components / tests of selection process (PIWAT) shall be considered as eligible for generation of merit / wait / reject list. Candidates who remain absent for any one of the component / test will be considered as ineligible for selection process of any of the UG degree programme of SIU. All admissions are provisional, subject to confirmation of eligibility by the University.

Reservation Policy

As per the UGC guideline 2006, the reservation policy for all the institutes under the University is as follows:

Within the sanctioned intake

SC - 15 %
ST – 7.5 %
Differently Abled – 3 %

Over and above the intake

Kashmir Migrants – 2 seats per programme
International Students – 15 %

Defence Quota – 5 % for SLS-PUNE,SICSR and SCMS-Pune.

Note:

- Candidate applying for the above mentioned categories will be required to submit the supporting documents at the time of PI-WAT.

- Candidates applying for Defence Quota other than above maintined three institutes (SLS-Pune, SICSr and SCMS) will be considered as candidates in OPEN Category.

Differently Abled candidate means a candidate having any of the disabilities defined in Person with Disabilities Act – 1995, suffering from not less than forty per cent of the disability as certified by a competent government medical authority.

The candidate will have to get the disability authenticated from Symbiosis Centre of Health Care (SCHC), the admission may be considered as regularized only after due authentication by SCHC.

Note: The mechanism and the related process for Personal Interaction and Writing Ability Test (PI-WAT) will be updated soon.

INTERNATIONAL STUDENTS

Symbiosis Centre for International Education takes care of International Students aspiring for admission to the Constituent Institutes of Symbiosis International University.

Categories listed under International Students Admissions:

Foreign National (FN):
A student is eligible to apply as a Foreign National (FN), if he/she holds a foreign passport.

Person of Indian Origin (PIO):
A student is eligible to apply as a Person of Indian Origin (PIO), if he/she has a PIO card, and is a citizen of a country other than India.

Non Resident Indian (NRI):
A student is eligible to apply as a Non Resident Indian (NRI), if he/she has appeared either for the 10 or 10+2 (equivalent to the Indian 10th & 12th) examination outside India.

It is mandatory for the student who falls in the NRI Category and has appeared for 12th in India to appear for the SET TEST.

Symbiosis Law School [SLS - Pune]
Care | Courage | Competence |Collaboration

INTRODUCTION

Symbiosis Law School, Pune stands for excellence in legal education. Nestled in the city of Pune (popularly described as the Oxford of the East with the glorious heritage of being the capital of the Peshwas), Symbiosis Law School (SLS) Pune is piloted and enriched by the vision of Padma Bhushan Dr. S.B. Mujumdar established in 1977 under the illustrious banner of Symbiosis Society. Since 2002, it has been a constituent of Symbiosis International University, which is re-accredited by 'NAAC' with 'A' grade. SLS, Pune embodies the essence of 'Symbiosis' which talks of living together for mutual benefit. SLS, Pune has occupied a place of pride among the flagship institutions of Symbiosis International University as it has been continuously ranked amongst top 10 Law Schools in India by the India Today-Nielsen and The Week survey. The Bar Council of India bestowed the prestigious Gold Star Award upon SLS, Pune in February, 2013. SLS, Pune has also been ranked 2nd in the category of Leading Super Excellence and ranked 1st in the Western Region by GHRDC Law School Survey 2016. It also received Herbert Smith Freehills' Community Engagement Award 2016.This eminence is accomplished through its various programmes. It offers 5-year integrated Undergraduate Programmes like Bachelor of Arts and Bachelor of Laws [B.A. LL.B (Hons.)] and Bachelor of Business Administration and Bachelor of Laws [B.B.A., LL.B (Hons)], 3 year LL.B and one year LL.M programme. SLS, Pune also successfully administers 8 different Diploma Programmes and 19 Certificate Programmes.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education in India & the world including India & the World recommendations of the Carnegie Report, USA combining skill, knowledge and values. These are imparted through multitalented, qualified, competent and enthusiastic faculty. Those efforts are reciprocated by the participation of all the stakeholders including the members of the Bar and Bench, corporate sector and international experts. Impressive international collaborations across UK, US and Europe have brought in the membership of International Association of Law Schools, USA and the Asian Law Institute, Singapore. SLS, Pune is the only Indian partner with the Erasmus Mundus Global Consortium of Law Schools. Since 2008, DAAD, Germany has been funding faculty and students of SLS Pune for research and exchange programmes through the 'New Passage to India' Programme with Leibniz University, Hanover and Brunswick European Law School, Ostfalia University of Applied Sciences, Wolfenbuttel, Germany. Since 2012, SLS, Pune has also been a part of Ontario Maharashtra Goa (OMG) Exchange Programme.

SLS, Pune aims at creating world class professionals, committed academicians and law reformers, training justice dispensers, invigorating community crusaders and creating a strong watershed of new and upcoming expertise in law relating to business and corporate context. The scholarships for students include the SC/ST Top Class Education Scholarships, Ministry of Social Welfare, Govt. of India, State Merit Scholarship, Symbiosis Foundation Scholarships and 8 other scholarships. They receive assistance, inspiration and attention through the mentor system. Our tagline word "Collaboration" ensures that every student gets an opportunity to experience new cultures, meet new people and have a holistic development of their personalities.

Vision :- Promoting International understanding through quality education.

Mission :-
- To inculcate spirit of 'Vasudhaiva Kutumbakam' (the world is one family)
- To promote ethical and value-based learning
- To inculcate cross cultural sensitization
- To nurture creativity and encourage entrepreneurship
- To promote health and wellness amongst students, staff and community
- To produce thought provoking leaders for the society
- To contribute towards knowledge generation and dissemination
- To foster the spirit of national development
- To develop global competencies amongst students
- To enhance employability and contribute to human resource development
- To install sensitivity amongst the youth towards the community and environment

INFRASTRUCTURE / FACILITIES

SYMBIOSIS INSTITUTE OF COMPUTER STUDIES & RESEARCH

1. INTRODUCTION:

Symbiosis Institute of Computer Studies and Research (SICSR) aims at building future leaders for the IT industry worldwide by imparting world class IT education to them. We offer state-of-art information technology infrastructure comprising high end servers. 300 + desktops / terminals. Round a clock connectivity. Technology enable classrooms.

We offer a complete portfolio of IT education programmes, including undergraduate programmes Bachelor of Business Administration (Information Technology) and Bachelor of Computer Application,

From 2017 we are offering two new programmes i.e. Bachelor of Science (Information Technology) for International students only and Master of Science (System Security).

Facilities
Hostel facilities
SICSR has hostel facilities for girls and boys provided by Symbiosis Society. We also provide a database of Paying Guest accommodation to students in the surrounding area if needed.

Library
The main objective is to provide innovative, responsive and effective services, which will meet the changing needs of the academic community. Our library provides a range of books, periodicals, E-resources and other media at appropriate levels for the need of the students. We have to access the world's best electronic reference databases like EBSCO, DELNET.

Lab
SICSR has truly world class, state-of-the-art Computer Labs which includes powerful servers, dedicated Internet and email access, desktop PCs and laser / all in one laser printers etc. All computers are connected to a 10/100/1000 Mbps network, which in turn is connected to Gigabit Ethernet. For the Internet, there is 24 x 7 connectivity through 2 leased lines with 4 Mbps and 2 Mbps each. The labs are equipped with Hardware Firewall and content filtering tools with latest Antivirus Gateway level Scanning.

Canteen
Our canteen is not only a place to fill appetite but also a venue for a mélange of ideas and views to converge and give rise to innovative ventures. It has a mess, which offers vegetarian delicacies, & caters to diverse palates. Delicious food is prepared with strict standards of hygiene.

Teaching Aids and Pedagogy
SICSR's approach to teaching includes a combination of lectures, class discussion, group work self-study and has developed e-learning portal using Moodle, for blended learning evaluation and continuous evaluation of students. SICSR uses blended learning techniques and KirkPatrick techniques.

Health and Medical care and Gym
The Symbiosis Center of Health Care (SCHC) provides an in house, modern, state of art health club & fitness center with a view to facilitate a holistic development of mind & body for an all round development of our students. Each student is insured under the Mediclaim & Road Traffic Accident Policy.

Our Programmes

BBA (IT): Bachelor of Business Administration (Information Technology)
(3 year Full Time Undergraduate Bachelor Degree programme)
Objective: The ideal foundation for careers / studies in Information Technology and Management.
The BBA (IT) programme has conceived, innovated and perfected by SICSR

BCA : Bachelor of Computer Applications
(3 year Full Time Undergraduate Bachelor Degree programme)
Objective: It builds strong foundation needed for careers in Computers/IT field, emphasizing on emerging Computer Applications.

1. The curriculum of **BBA-IT/BCA** programme at SICSR offers **Choice Based Credit System (CBCS)** or Electives courses. Upto about 10-15% of the total credits are reserved for CBCS. Such courses are offered as generic and as discipline based elective courses.

Symbiosis Centre for Management Studies [SCMS] - PUNE

Introduction

Symbiosis Centre for Management Studies, Pune established in the year 2004, is a Department of Symbiosis International University. The Institute provides learner centric ecosystem embedded with a strong value system. The approach enables the students to hone their skills and explore their true potential. Three years of rigorous academics, many extracurricular activities give them the exposure to become responsible global managers. The students here strive to explore, innovate and create… throughout their journey at SCMS, Pune

SIU Vision
 Promoting International understanding through quality education

Infrastructure
- Class rooms: SCMS has spacious classrooms with LCD projector, facility of collar mikes and a Public address system. Ours is a fully Wi-Fi enabled campus.
- Computer Laboratory: The institute has a well-equipped computer laboratory, with LCD Projector and internet connectivity, to facilitate the teaching-learning process.
- Library & Reading Room: Our Library houses some of the finest collections of management &course specific books, classics, fiction & non- fiction books, periodicals, journals, newspapers, CDs, DVDs, etc. The noteworthy feature is the digital library which enables access to e-journals, e-books and online databases and catalogs.
- Students' Interaction lounge: The Interaction lounge of our centre helps our students to interact freely with our faculty members and extend learning beyond the classroom.
- Placement Cell: In order to carry out the placement related activities for the Third year students the college has constituted the Placement Cell.
- Audio Visual Room and Conference Hall: For presentations by corporate representatives during conduct of workshop / for placement, or for presentations by faculty/staff we have Audio Visual Room. To conduct meeting / discussions a separate Conference Hall is available.
- Indoor Games room: Indoor games like Table tennis, carom, chess, scrabble, etc. are available in the institute for the purpose of rejuvenating the students.
- Outdoor sports facility: Outdoor sports facility for playing basketball, volleyball, football and cricket are available within our campus area.
- Music room: A well- equipped music room with all modern wind and string instruments is available for use of our students.
- Scrollers: Important information is disseminated to the students instantly through scrollers strategically positioned in all the floors.

Canteen, Mess, Hostel & Campus facility
Cafeteria – The campus houses a cafeteria that serves multi-cuisine food.

Mess - The Campus has a mess which serves both vegetarian as well as non- vegetarian breakfast, lunch, evening snacks & dinner.

Hostel –Hostel facility is available for girls as well as for boys with limited seats. Hostel has twin / triple sharing, well furnished rooms with Wi-Fi facility, hot and cold water facilities throughout the day, attached bath & toilets, generator backup, indoor games / recreations rooms with TV, guest rooms, housekeeping and round the clock security. Due to shortage of accommodation hostel is allotted on first come first serve basis. It is located within a radius of 1 km from the campus.

Convenience store – The campus has an in-house convenience store for gaining access to necessities.

Reprography Centre – The campus has a reprography center which helps students with supply of necessary stationery, photocopying and print out facilities.

Gymnasium – The campus has a gym set up with all latest equipment.

Health Care Centre - We have a health care center on campus with one doctor and medical staff. The students use this facility to undergo their health checkup every year.

ATM - Corporation Bank has set up an ATM in the campus for the facility of students, faculty and staff.

Café Coffee Day has installed an outlet in campus which besides coffee, serves snacks to students.

Programmes offered
Bachelor of Business Administration - (BBA)
The BBA programme is a full-time, three-year graduation programme spread over six semesters which aims at transforming a student into a socially responsible global corporate citizen. This programme with its intensive and updated syllabus and a wide range of additional modules would indeed enable the student to aspire for higher studies in premium business schools in India and abroad.

the Academic Year 2011-12. The Cafeteria curriculum has been designed to allow flexibility to the students to take up courses of their choice resulting in the award of a general BBA or BBA with single or dual specialization.

The programme is of 150 credits having a combination of core courses and elective courses.

The cafeteria approach encourages and allows students to choose elective courses from across various specializations.

The Institute offers six specializations from the Academic Year 2013–14:

 a. Human Resource Management
 b. Marketing Management
 c. Accounting & Finance
 d. International Business
 e. Environment Management
 f. Entrepreneurship Management

ACCA - SCMS, Pune has signed an MOU with ACCA (Association of Charted Certified Accountants), UK to offer training to the select students.

Placement Cell

The Placement Cell is an integral part of our institute. Our placement cell has been immensely successful in creating and maintaining a good network across top notch companies in all sectors, thereby ensuring opportunities to students for recruitment with promising career options. The students registering for placements undergo extensive training ranging from career guidance to soft-skill building. This enhances students' confidence thus helping them perform better at the time of recruitments. Since its inception, SCMS-Pune has seen the presence of many successful companies who have offered our students positions in major domains such as human resources, marketing, consultancy, advertising and finance. Some of the companies which periodically visit our campus for the purpose of offering campus recruitments to our students include KPMG, PWC, Zomato, Food Panda, JLL, UPS, Tresvista, IKYA Global, Grofers, Edelwiess, GPW, Iplace, etc. Our alumni through the years have brought laurels to SCMS with their decision making positions in various organizations. For more details please visit www.scmspune.ac.in

Methods of Instruction

The Institute strongly believes in interactive learning through lectures, workshops, Industrial visits, Case studies, Project work and field trips, Research Projects, Internships and Simulations.

Profile of students

An important 'take-away' of being a Symbiosis product comes out of the long-standing commitment to diversity. The difference in opinions, convictions, economic background, gender, nationality brings life to our campus community and fosters tolerance. The environment causes intellectual churning and therefore brings out the best in our students. The Institute has students from more than 30 different countries studying on the same campus.

Career Prospects

After completing the programme students can pursue higher education in any of the premier management institutes in India or abroad. Students who do not wish to pursue further studies will have placement opportunities in various areas such as Finance, Marketing, Sales, Human Resource Management and Environmental Management. One of our important aims is to capacitate and motivate our students to be budding entrepreneurs.

Eligibility for Admission
Indian Students:

 1. Passed XII or equivalent course in any discipline from any recognized Board/ Council/ University with minimum 50% marks for general (open) category and 45% marks for students of SC and ST category.
 2. Qualifying the Symbiosis Entrance Test (SET), Personal Interaction and Written Ability Test (PI-WAT) of our Institute.

Symbiosis Institute of Health Sciences (SIHS)

INTRODUCTION OF THE INSTITUTE:

The Symbiosis Institute of Health Sciences (SIHS) is a constituent of the prestigious Symbiosis International University (SIU). SIHS has conceptualized & implemented a group of professional up-gradation programmes meant to equip the healthcare professional with the appropriate tools in order to survive this age of fierce competition and specialization. SIHS encourages a symbiosis of thought, word & action of all such professionals who would address the all-important issue of health in its totality. Through its unique, innovative, career oriented programmes, SIHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services.

Vision

Promoting international understanding through quality education

Mission

- to inculcate spirit of 'Vasudhaiva Kutumbakam' (the world is one family)
- to contribute towards knowledge generation and dissemination
- to promote ethical and value-based learning
- to foster the spirit of national development
- to inculcate cross cultural sensitization
- to develop global competencies amongst students
- to nurture creativity and encourage entrepreneurship
- to enhance employability and contribute to human resource development
- to promote health and wellness amongst students, staff and community
- to instill sensitivity amongst the youth towards the community and environment
- to produce thought provoking leaders for the society

ACHIEVEMENTS:

Symbiosis Institute of Health Sciences has gained many laurels during the past years. To quote a few:

- SIHS is beneficiary of the various MOUs signed between SIU & national and international academic institutions like Public Health Foundation of India (PHFI), Georgia State University (GSU), USA; Chest Research Foundation, Pune; Serum Institute of India, National AIDS Research Institute, Pune; Centre for Rheumatic Diseases, Galaxy CARE Laparoscopy Institute, Pune, to promulgate cooperation between the institutes to promote educational research, intercultural competence and understanding. The partnership provides opportunities for research through collaborative research projects, conducting conferences, PhD student's deputation, continued guidance to students and faculty, and student visits to their campus for learning and conducting projects.
- The Post Graduate Diploma in Emergency Medical Services (PGDEMS) programme is recognized by the Los Angeles Paramedic Training Institute, USA.

- PGDEMS programme of Symbiosis Institute of Health Sciences (SIHS) is recognized by Saudi Commission of Health Specialties. Many of our alumni are placed overseas.
- The American Heart Association (AHA), USA has conferred upon the institute, the coveted title of an International Training Center (ITC). It is also a recognized "Chapter" of the International Trauma Life Support (ITLS) Organization, USA. This is recognized by the American College of Emergency Physicians (ACEP), USA. Recently SIHS is recognized as approved site for conducting - Advanced Trauma Life Support (ATLS®) - India Programme Course of American College of Surgeons.
- In recognition of academic credentials. SIHS has been awarded Global Recognition Award **'Gold'** by American Heart Association (AHA), USA for the year 2016.
- SIHS has trained 5000 Emergency Medical Service Providers in MEMS project. These EMS professionals are working on 937 ambulances across State of Maharashtra and respond to emergency, calls, perform medical services and transport patient to appropriate hospital as required.
- SIHS has trained 1000 Police personnel of Madhya Pradesh working with Dial 100 project who attend emergencies as first responders.
- SIHS has trained 750 Emergency Medical Service Providers for Delhi EMS project.
- SIHS has signed MoU with International Health & Safety Training Centre (IHSTC), Dubai, UAE for conducting ITLS: Advanced Trauma Courses at IHSTC, Dubai, UAE.
- SIHS is also member of Healthcare Sector Skill Council (HSSC) constituted by National Skill Development Corporation and is affiliated with HSSC as a recognized training institute.
- In continuation with the national initiative of promoting Skill Development, Symbiosis Institute of Health Sciences & Dr. Babasaheb Ambedkar Research & Training Institute (BARTI) signed an MOU for skill based training in the healthcare sector. This training aims to foster inclusivity for the marginalized section of society.
- SIHS also offers training programmes under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) scheme. The objective of this Scheme is to encourage skill development for youth by providing monetary rewards for successful completion of approved training programmes.
- Maharashtra Medical Council (MMC) has accredited SIHS to conduct CME programmes/ workshops/ seminars etc. By virtue of this coveted status, faculty and delegates participating in workshops organized by SIHS will be honored by credits hours from MMC.

STUDENT FACILITIES:

Facilities:

1.   Infrastructure :

SIHS boasts of state-of-the-art infrastructure for its students. All these facilities go a long way in ensuring productive campus life and provide a perfect ambience for academic pursuits.

Classrooms:

All lecture classrooms are well ventilated and equipped with the latest audiovisual facilities.

Library:

SIHS has a splendid learning resource center with over 4704 books, 17-Journals, 17 Magazines (Print

database Services, Reference Services, Home Lending Services, Photocopy Services, WI-Fi facility, WEB-OPAC, Online Database: Emerald, EBSCO, J-STORE and SCOPUS databases are available.

An all day on campus Mess and Cafeteria ensures refreshments for busy minds.

Accommodation:

For outstation students (Ladies& Gents) accommodation can be arranged at the Symbiosis Hostel on first come first serve basis.

Career Counseling and Placement Cell:

SIHS Training and Placement Cell will assist students in enhancing their knowledge and skills to obtain employment in respective industries in the healthcare domains.

3. Healthcare Facilities :

Symbiosis Centre of Health Care (SCHC): Health and wellness are vital issues related to the academic success of students at Symbiosis. Symbiosis Centre of Health Care, the in-house health care center for the entire Symbiosis family has made a conscientious effort towards the overall development of its staff and students by providing preventive and health promotion programmes to enhance optimal health, reduce risk of diseases and injury and promote healthy lifestyle choices. The SCHC, through its daily activities looks after the prevention, control and surveillance of health problems amongst students.

Outdoor and Recreation Facilities:

Gym:

In-house ultra modern health clubs and recreation and wellness centers have also been established at all SCHC campuses to facilitate holistic development of mind and body of students. Training facilities for strength, endurance, flexibility and cardiovascular fitness, Yoga and meditation are provided through customized capsules suited to the unique requirement of the student population in conformity with their academic curriculum.

ACADEMICS, TRAINING AND PLACEMENT ASSOCIATES OF SIHS

Kokilaben Dhirubhai Ambani Hospital, Mumbai; Noble Hospital, Pune; Sanjivan Hospital, Pune; Deenanath Mangeshkar Hospital, Pune; Poona Hospital & Research Center, Pune; MMF – Ratna & Joshi Hospitals, Pune; N M Wadia Hospital, Pune; Oyster & Pearl Hospital, Pune; Poona Hospital & Research Centre, Anandpur Charitable Trust's Diagnostic Centre, Chest Research Foundation, Janakalyan Blood Bank, Metropolis Laboratories (I) Pvt. Ltd., Star Imaging & Research Center, Pune; National AIDS Research Institute, Philips Healthcare Pvt. Ltd. ; Siemans Ltd. (Medical Solutions Division), Genworks Ltd. ; GE healthcare Pvt. Ltd.; and many others ……

PROGRAMME PROFILE

Objective: As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing & ever expanding horizon of the health care sector demands formal training programmes in all its allied areas. The diagnostics sector, today is witnessing a tremendous growth in terms of volume and sophistication. With increasing advances and super specialization, the scope for tomorrow's technologists does not remain limited to just routine tests. Advanced complex instrumentation & equipment require technocrats not only to operate but also to care & maintain them as well. These experts have to possess a strong scientific foundation & be able to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained in the technological aspects of medical care with a good scientific foundation will be in a position to competently assist the Physician or Surgeon, especially in high-tech medical procedures to cater to the health care industry globally.

MARKET NEED & CAREER POTENTIAL:

Well trained technocrats with a strong scientific foundation make Medical Technology a challenging and rewarding career. The demand for professionals who can provide diagnostic and therapeutic services has been growing at a much faster pace than the number being trained every year. Students can pick up global careers in Medical Technology industy, Medical equipment companies, Homecare industry, Medical imaging industry, Dialysis centre & services, Intensive & Critical care, Pathology laboratories, Academic institutes, Simulation centers, Research & Development centers, IT in Medical Technology & Enterprenurship from the very day they complete the programme successfully.

Career Counseling and Placement Cell :

SIHS Placement Cell will assist students to obtain employment in respective industries in the healthcare domains.

Alumni Profile

Mr. Pranit Bansode	Respiratory Therapist	Dubai Healthcare City, **UAE**.
Ms. Anjali Wanzah	Laboratory Manager	Plasma Diagnostics Ltd. , **Kenya.**
Ms Karolyn Riwa	Medical Laboratory Scientist	National Health Laboratory Quality Assurance and Training Centre (NHLQATC), **Tanzania**
Mr.Kirankumar Surve	Respiratory Therapist	Dammam Central Hospital, **Dammam, Saudi Arabia**

Mr. Chetan Karampuri	Respiratory Therapist	Dammam Central Hospital, **Dammam, Saudi Arabia**
Mr Aayush Kumar	Radiology Specialist	Genworks Pvt. Ltd. (GE), Delhi.
Ms. Shalaka S. Ramgir	Research Assistant	Vellore Institute of Technology, University, Vellore.
Mr. Rashmeetsingh Ajmani	Product Specialist	Genworks Health Pvt. Ltd, Bangalore.
Mr. Pankaj Jaiswal	Application Specialist	Siemens Healthcare Pvt. Ltd. , Ahmedabad.
Ms Prajakta Ashok Mahajan	Managing Director	Shreepad Hospital & Ceritical Care Centre, Jalgaon.
Mr. Swapnil Pawar	MRI Application Specialist	Siemens Healthcare Pvt. Ltd. , Mumbai.
Mr. Sushant Pandhare	Sr. Cardiac Cath Lab Technologist	Hiranandani Hospital, Mumbai.
Mr Pratik Gadhe	Cardiac Technologist	Seven Hills Hospital, Mumbai
Ms Jyoti Dubey	Echocardiographer	Madhavbaug Ayurvedic Cardiac Rehabilitation Centre, Panvel, Mumbai
Mr. Vishnukant Jadhav	Managing Director	Ashraya Rehabilitation and Geriatric care center, Pune.
Mr Swapnil Ghawale	Imaging Technologist	Lilavati Hospital, Mumbai
Ms. Ashlesha Salkar	Growth Catalyst	Kreeo (i-nable Solutions Pvt. Ltd.), Bangalore.
Ms. Helee Alkesh Patel	Management Trainee	Suburban Diagnostics, Ahmedabad.
Ms. Ankita Sampatrao Merukar	Business development associate	Verinite Technologies, Pune.
Ms. Alice George Mathew	Healthcare Documentation Associate	MModal Global Services Pvt. Ltd, Pune.
Mr. Aditya A. Kamthe	Research Associate	Marketsandmarkets, Pune.
Mr. Ninad Pathak	Executive Data Analyst	Lab India, Pune.
Mr. Vaibhav Gaikwad	General manager	Healthtech Engineer Pvt. Ltd, Pune.
Mr. Shekhar Sudam Pokale	Supervisor, Dialysis Centre	Davita India, Pune.
Ms Vaikhari Hasbnis	Assistant Administrator	Sadhu Vaswani Missions Shanti Clinic, Pune.
Ms. Mamata Avinash Atre	Dialysis Technologist	Columbia Asia Hospital, Pune.
Ms. Preeti Hanumant Kadam	Respiratory Therapist	Poona Hospital & Research Centre (PHRC), Pune.

Mr. Sanjay Ramdin Yadav	Dialysis Technologist	Noble Hospital, Pune.
Ms. Anjali Manoj Vyas	Respiratory Therapist	Deenanath Mangeshkar Hospital, Pune.
Mr. Deepak Tanwar	Imaging Technologist	Dr. D.Y. Patil Hospital & Research Center, Pimpri, Pune.
Ms. Gayatree Patil	Faculty	Symbiosis Institute of Health Sciences, Pune.

Bachelor of Science – Medical Technology

SPECIALIZATIONS

The programme offers specializations in the following areas:-

1. **Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient care, haemo-dynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.

2. **Respiratory Therapy:** The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.

3. **Dialysis Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.

4. **Imaging Sciences Technology:** Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical imaging modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.

5. **Clinical Lab. Technology:** Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.

6. **Operation Theatre and Anaesthesia Technology:** The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra & Post operative procedures.

Medium of Instruction:

The medium of Instruction for all the courses shall be English.

ELIGIBILITY CRITERIA:

Std. XII Pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

Working Professionals:

For the candidates who have educational qualification and work experience in above mentioned specializations, admissions will be given directly to 2nd year subject to approval of the SIU.

Based on marks in XII Std. Science / Equivalent examination followed by personal interview.

Symbiosis Entrance Test Examination (SET) score is preferred.

INTAKE: 90 students

Reservations as per Symbiosis International University norms.

DURATION : 3 years, fulltime

APPLICATION DIRECTLY TO SIHS (after closure of SET registration)

The Prospectus is available at SIHS on payment of Rs.500 by cash or Rs.600/- by post.

Registration Fees for SIHS is Rs. 1000/-.

Payment to be made in CASH or by Demand Draft. DD to be drawn in favor of 'Symbiosis Institute of Health Sciences (SIHS)', payable at Pune. Kindly mention in capital, your complete name, postal address (with salient landmark) & pin code on reverse of DD & post it to **Symbiosis Institute of Health Sciences (SIHS), Senapati Bapat Road, Pune – 411004**. Fill in the form and submit the completed form along with all requisite certificates & documents (as applicable).

Candidates should submit the prescribed application form duly completed along with attested photocopies of requisite documents.

Important Date:

Last date of submission of filled application form	Monday 31st July'2017
Programme commencement	Thursday 10th August'2017
Payment of 1st installment	At the time of admission.
Last date for payment of 2nd installment	Monday 16th October'2017
Convocation	November/December (As per SIU schedule).
Online payment close for institute	Monday, 24th April, 2016
Declaration of institute short listing for PI- WAT	Monday,29th May 2017
Conduct of PI- WAT	Thursday 8th June 2017 and Saturday 10th June 2016
Declaraion institute 1st Merit list	Thursday 15th June 2017
Last date for payment of 1st installment	Saturday 24th June 2017

Symbiosis Institute of Design (SID)

1. Infrastructure / facilities – Hostel, Library, Lab, Canteen, Club etc.

Campus

SID is one of the largest design institutes in the country having built up of area more than 80,000 sq.ft. The campus of Symbiosis Institute of Design at Viman Nagar houses state of the art design studios, laboratories, workshops, IT infrastructure, rapid prototyping lab, well-equipped class rooms, library, exhibition areas, seminar hall, conference hall etc. The campus also has amphitheater, ultra-modern auditorium and academic plaza for various activities including design shows. The entire campus is Wi-Fi enabled.

Library

Having more than 10,881 books related to design, art, craft, graphics, advertising, film and video, animation, furniture, architecture, textile, pattern making, visual merchandising, illustration, jewelry etc., more than 90 national & international periodicals and 9 online journals. A special collection of 'Promostyl' forecast magazines related to fashion, as well as 1065 Audio-Visual material on different topics and subjects. Library has KOHA software and is using DDC for classification. We have introduced alumni membership as well as corporate membership.

Labs, Studios & Workshops

Well-equipped model making (Metal & Non-Metal) Workshops, Clay and Ceramic Studio, Rapid Prototyping, Laser Cutting & Engraving and Cintiq Lab, Computer Lab, Digital Instruction Lab, User Experience Lab, Recording and Editing Studio, CAD Lab, Material Library, 2D & 3D Animation Lab, Animation Studios, Photography Lab, Printing Lab, Film and Video Studio, Garment Construction Lab, Pattern Making Lab and Textile Lab.

Student Clubs

To ensure active participate of students in education process Photography Club, Sports Club, Animation Club, Sketching Club, Performing Arts Club, Film Club and Graphics Club are active at the institute. This helps the students to be a part of extracurricular activities and present their talent and managerial skills. The Institute has a policy of funding such club activities.

Common Facilities

Hostel

We have two hostels for girl students 1.5 km away from the Viman nagar campus. Symbiosis Girls Hostel B Wing (Rohan Mithila) with 330 seats capacity having rooms with three sharing basis and Girls Hostel C Wing (Rohan Mithila) with 410 seats having rooms with twin sharing basis. Hostel accommodations are shared with two more institutes on the same campus. Seats are available on first come first serve basis only. Dining Hall, hot water supply, generator backup, round the clock security and housekeeping as well as laundry services are provided at the hostels. Cable TV connections and refrigerator are also available as common facility. Girls Hostels are 1.2 km away from Campus and has shuttle bus service from and to the campus. Limited seats for boys should be available in 2017-18.

Symbiosis Viman Nagar Campus has the following facilities:

- Auditorium – State-of-the-art, well-furnished and equipped, fully Air-conditioned having seating capacity of 585. The Auditorium has full capacity generator backup.
- Amphitheatre and Campus Plaza – For recreational activities.
- Canteen – with Veg and Non-Veg menu.
- Juice Bar – Fresh Juices, Shakes, fresh cut fruits, etc
- Coffee Day Xpress – Coffee and Snacks
- Corporation Bank ATM
- Sports Ground – For Sports / Games
- Rangoli Stores – Stationery Items, FMCG Products, Art and Drawing Materials, etc.

2. **Programmes offered**

The institute offers four years degree programme, Bachelor of Design (B.Des) in following 8 specializations.

1. Graphic Design (GD)
2. Video Film Design (VFD)
3. Animation Film Design (AFD)
4. User Experience Design (UED)
5. Product Design (PD)
6. Interior Space Design (ISD)
7. Fashion Design (FD)
8. Fashion Communication (FC)

The specializations mentioned from 1 to 4 above fall under the discipline Communication Design (CD) and 5 to 6 falls under Industrial Design (ID).

The programme is aimed at creating professionals who can contribute to the highly dynamic and competitive world of design. The approach here is entirely project based. The institute puts high emphasis on evaluating the students on the basis of continuous performance and projects.

3. Placement :-
   http://sid.edu.in/placement/overview.html

4. Eligibility.
   Essential:
   A candidate must have passed 10+2 (any stream; e.g. Science, Commerce, Arts, etc.) or equivalent OR 10+3 diploma approved by State Board of Technical Education with minimum 50% aggregate marks obtained in the final examination to be eligible for the above-mentioned programme.
   A candidate appearing for the final examination of 10+2 grade or 10+3 Diploma programme may also apply provided the results of the examination should have been declared by June of the admission year or prior to be eligible for the above mentioned programme.
   A candidate failing at 12th Standard examination but has appeared and passed at the immediate compartmental examination held in the same year, in first attempt will be eligible for provisional admission.

   Desirable:
   The candidate should possess Creative Aptitude & Skills necessary to pursue Design Education as well as adoptability to the situations, which the profession demands.
   Candidates with the relevant portfolio would be preferred.

5. Sanctioned Intake*

Symbiosis Center for Media & Communication [SCMC]-Pune

Introduction:
Ranked as India's Best Mass Communication College by the annual surveys for India Today and Nielsen Company in 2013, 2014 & 2015, Symbiosis Centre for Media & Communication (SCMC), has been successful in carving a niche for itself in the field of Media and Communication education since its inception in 2008.

The definition of media has undergone a radical change in recent times. The shift is not merely technological but that of perception of society about media and the awareness of the potential that lies in the active participation in the creation of media. The potential to transform society by challenging and changing the norms constantly, by resorting to the voice that is present within us, to express what is felt and it is this active expression which makes us human.

At SCMC we cohere ideas together and give it powerful voice and a shape. This crystal ball of consciousness has the ability to not only see but also bring a positive change in the future through its continuous evolution. Armed with the technology and brewing creativity of relentless contemplation, we pride ourselves to be the leader in media education. Thus, striving to transcend the apogee reached by us every step of the way.

Through our programme, Bachelor of Arts (Mass Communication), we offer a comprehensive experience through traditional academic learning & research with cyber & experiential learning.

Infrastructure:

Seminar Halls:
These are provided with overhead LCD projectors and public-address systems.

Screening Rooms:
These are acoustically sealed, split air-conditioned mini-auditoriums with wall-to-wall carpeting and provided with overhead LCD projection systems and Dolby / DTS 7.1 surround sound system.

Shooting Floor:
The shooting floor along with a Production Control Room (PCR) is acoustically sealed and air-conditioned. The same is equipped with lighting equipment including Canara overhead moveable lighting grid with cool flood lights, spotlights, Kino lights, shadow casters & light meters. It has multiple digital cameras (Panasonic DVX102, Panasonic AG-AF100 & Canon 5D Mark III with lenses). It also has a Teleprompter for news reading apart from a multi-channel digital audio mixer.

Post-Production Suite & Laboratory:
Four air-conditioned cubicles, as well as a post-production laboratory, are equipped with non-linear edit systems to provide professional level post-production facilities. The same has the following facilities – Four MacPro machines with FCP and 10 iMac machines with Adobe Premier CS5. Additional software includes Adobe after Effects, Adobe Photoshop, & FCE.

Sound Recording Suite & Laboratory:
The air-conditioned and acoustically balanced practical-demo suite has an industry-standard multi-track sound recording and reproduction set-up. It is equipped with audio mixing consoles like Yamaha MG166cx, Xenyx 802, Yamaha MG82cx & Eurorack UB880. The suite also has a pair of powered audio monitors - Yamaha HS80M and two pairs of Yamaha

MSP3. Nuendo 5 is the preferred audio software used to record and reproduce recorded audio files here. The laboratory has an additional 10 iMac machines for training.

Photography Studio:
The air-conditioned photography studio combines both manual and digital facilities. It has the latest SLR & DSLR cameras with all types of professional lenses, tripods & other accessories. The studio is equipped with professional studio lights, light meters and other essential lighting equipment apart from a motorised backdrop changer. It also has an iMac with contemporary photo editing software for digital imagery.

Developing & Printing (Dark) Room:
The air-conditioned D&P room is equipped for manual black & white film developing and printing. It has a chemical laboratory for negative film development apart from & enlargers for photo printing.

Computer Laboratory:
The air-conditioned computer laboratory has 40 terminals equipped with Pentium IV processor driven CPUs connected to LCD screens / overhead LCD projector. The laboratory is fully networked and provides high-speed broadband connectivity, with power back-up. A variety of Publishing, Post Production and Design Technology software are available. The entire campus is Wi-Fi enabled. All desktops and server are fully protected with upgraded anti-virus software.

Library:
The library has a well-stocked collection acquired since its inception, and covering a broad span of technical and non-technical subjects pertaining to mass media and communication management. The library is using Koha software which provides instant access facility for any book, by title, author, publisher, or ISBN number. The library also subscribes to a wide assortment of national and international newspapers, magazines and journals, besides some other publications. The library also subscribes to two online databases – TVAD Index and United News of India.

Audio-Visual Library:
The audio-visual library has a comprehensive collection of Indian & foreign classic films, documentaries, radio & television programmes in English, Hindi and other Foreign / Regional languages.

Facilities:
The Viman Nagar Campus is situated inside the city limits, yet far from the absolute chaos of city life. Housed in a building, which won an award* for its design, the campus for the undergraduate media students is well suited to their needs and learning potential.
* AESA (Architect, Engineers and Surveyors Association, Pune) Silver Award 2008 in Non Residential Category

Hostel:
Separate hostels for girls are situated near the campus building.

Recreation:
Health Club & Fitness Center (Gymnasium, Aerobics Floor, Yogshala), Auditorium & Amphitheatre.

Refreshment and dining:
Cafeteria, Canteen & Mess

Sports:
Soccer, Cricket, Basketball, Volleyball, Throwball, etc.

Programme offered:

BACHELOR OF ARTS (MASS COMMUNICATION)
The full-time programme is spread over a period of three years, and spaced out over six semesters of six months each, incorporating theoretical lectures, hands-on practical sessions, tutorials, classroom presentations, take-home assignments, sporting & cultural events, field trips, study tours, projects, and internships.

Specializations offered:
Journalism in Print, Electronic & Cyber Media
Audio-Visual Production including Radio & Television Production, Advertising & Documentary Film-making and Film Studies
Advertising including Client Servicing, Account Planning, Media and Creative - Copy & Visual
Public Relations including Corporate Communication and Event Management.

Placement / Internship:
Students, in order to supplement classroom learning with on-field exposure generally take up internships between the semesters. As a part of the project module, the students are required to do three development sector internships and two industry internships.
A development sector internship provides students with direct exposure to issues at the grassroot level and provides them with the experience required for sensitised media professionals. Industry internships provide students with direct exposure to the media industry and help them hone their skills and provide them with work experience.

Method of Instruction:
The SCMC is driven by its commitment to providing the industry with skilled and trained media professionals adept in all fields of communication.
The SCMC's method of instructing its students in both the theoretical and practical aspects of mass media & communication management has produced students who not only excel academically but also respond swiftly to professional challenges. Though the medium of instruction is English, certain case studies used by individual resource persons may be in other languages (primarily Hindi).

Profile of Past Students:
Past Students of SCMC are working at organisations like – Aaainaa, Aaj Tak, ABB, Abu Dhabi Film Festival, Accent Infomedia, AgencyDigi, apnafeelings.com, Autumn Worldwide, Awesomeness TV, Babble Fish Productions, Bajaj Allianz General Insurance Company, Barcroft Media, BCCI, Bequrio, Between The Lines, Beyond Dreams Entertainment, Big Synergy Productions, BJP, Bosch, Chrome Pictures, CNBC TV-18, Colston Julian Photography, Contract Advertising, CPI Mediagroup, Cybage Software, Dainik Bhaskar, DDB Mudra Group, DearCinema.com, Dentsu, DNA, Doha Film Institute, Doo Creative, Doordarshan, Durga Das Publications, Early Man Film, Edelman, Eighteen Plus, Encompass, EngageInfomedia, ESPN Star Sports, Everest Web Solutions, Fifth Ring, Film Engineers Company, F16's, Fortune Cookie, FoxyMoron, Glamrs, Glitch, Good Relations, Google, Group M, Happy Creative Services, Headlines Today, Hill Road Media, History Channel, Hope Productions, HT Café, Impact Index, Indian Metal Scene, ¡VAMOS! Festival, Jack in

the Box, Kiss Films, LAMP Fellowship (PRS Legislative Research), Law & Kenneth, LBi, Le Meridien, Leo Burnett, LT Research, Magic Lantern Foundation, Motivate Publishing, Mountain Creative, MPC, Mudra Max, National Geographic, NDTV, New Indian Express, NewsX Online, 94.3 Radio One, 93.5 Red FM, Ogilvy & Mather, Omnicon Group, Onions Creative Media, Open Canvas Motion Pictures, Paradigm Plus, Pepper Media, Percept D Mark, Perfect10, Pilcrow Communications, Publicis Groupe, Quick Start Global Resources, Radio Mirchi, Rajkumar Hirani Films, Rangrez Films, Recyclewala Films, Red Ice Films, Rediffusion-Wunderman, Reliance BIG Entertainment, Rupa Publications, Sahara Movie Studio, Sanjay Leela Bhansali Films, Spenta Multimedia, Star Entertainment Worldwide, Swastik Productions, Tata Consultancy Services, TBWA, Teach For India, Thomson Reuters, Tigmanshu Dhulia Films, Times Now, Times of India, Tips Film, Tossed Salad, Tourism Corporation of Gujarat, Travel News Digest, Trident, Tubelight Films, TÜV SÜD, Viacom 18 Media, Vinod Chopra Films, Visual Plus Advertising & Designing, Wax Girlz, Webenza, Windmill Entertainment, Wizcraft International Entertainment, Xebec Communications, Zansaar, Zee Media Corporation, Zeitgeist Movement Global, etc.

Viman Nagar, Pune – 411014, Maharashtra

SYMBIOSIS COLLEGE OF NURSING

Infrastructure / facilities

- **Health Care facilities:** Symbiosis Centre of Health Care (SCHC) is the in-house Health Care unit which has a team of specialist doctors who conduct the (compulsory) annual health checkup. Outpatient treatment is provided to the students by the medical officers of SCHC. Each student is insured under Medi-Claim and Road Traffic Accident Policy.
- **Fitness Facilities :** SCHC provides an in-house, modern, health and fitness centre with a view to facilitate a holistic development of mind and body for an all round development of our students at each Symbiosis campus. Training facilities for strength, endurance, flexibility and cardio vascular fitness including Yoga and Meditation is provided in customized capsules suited to the unique requirements of student population in confirmation with their academic curriculum.
- **Library:** SCON has a splendid learning resource center. It includes books, journals , projects reports, dissertation, periodicals, CDs and DVDs
- **Laboratories:** Foundation of Nursing Lab , OBG & Paediatric Lab, Community Health Lab , Museum, Pre-clinical Lab and Nutrition Lab are well equipped with required articles & instruments. SCHS: Skill based and competency driven centre to align with the National agenda of skill development for quality education and skill development
- **Computer Lab:** The computer lab with facility of Internet connectivity.
- **Wi- Fi Campus:** Students at SCON are privy to a Wi-Fi campus. The Wi-Fi campus enables students to get on-line anywhere on campus without the hassle of wires and plug-ins. The campus, truly, is the high tech face of the new age SCON.
- **Classrooms:** All lecture classrooms are well ventilated and equipped with the latest audiovisual facilities.
- **Auditorium:** The in-house facilities include a 567 seater modern auditorium and a modern conference hall located at Symbiosis Vishwabhavan.
- **Mess and Cafeteria:** An all day mess and cafeteria ensures refreshments for busy mind.
- **Hostels:** Well-equipped residential facilities with attached toilet and bath are available for boys and girls student separate

Symbiosis School of Economics [SSE]

INTRODUCTION

Founded in 2008, Symbiosis School of Economics (SSE) is a dynamic institution, with a demonstrable record of success, offering both undergraduate and postgraduate programmes in Economics. The curriculum is designed and upgraded periodically to enhance the employability of our graduates in sectors such as public and private enterprises, banking and financial services, government, consulting, academia and NGOs. This very niche Institute seeks to develop intellectual discipline, critical and analytical assessment, which will result in rational thinking, along with an understanding of the need for constrained optimization, and a strong urge to strive towards achieving equilibrium. The SSE tries to achieve these goals in an educational environment committed to excellence and academic freedom. The environment here is disciplined and demanding, at the same time giving plenty of scope for creativity, originality and student initiatives. Unique aspects of the institute are the centers it runs for students. The Centre for Academic Writing offers numerous facilities to students for academic writing whereas the Centre for Quantitative Learning and Applications supports researchers at advanced level.

VISION

Promoting international understanding through quality education.

MISSION

- To inculcate spirit of *'Vasudhaiva Kutumbakam'* (The world is one family)

- To promote ethical and value-based learning

- To inculcate cross cultural sensitization

- To nurture creativity and encourage entrepreneurship

- To promote health and wellness amongst students, staff and community

- To produce thought provoking leaders for the society

- To contribute towards knowledge generation and dissemination

- To foster the spirit of national development

- To develop global competencies amongst students

- To enhance employability and contribute to human resource development

- To install sensitivity amongst the youth towards the community and environment

Infrastructure / facilities – Hostel, Library, Lab, Canteen, Club etc.

The Class-rooms

All classrooms are ICT enabled and equipped with LCD projectors and Wi-Fi connection.

Library

The library at SSE is continuously being upgraded with books, journals, magazines, periodicals and newspapers. Faculty and students also have access to the central library, SIU.

Computer Lab
The 50 seater computer lab is Wi-Fi enabled with wide-ranging Statistics and Econometrics related software packages.

Canteen
The canteen has a wide variety of snacks and meals to choose from and is easily accessible.

Hostel
Limited accommodation is available at the boys and girls hostel on the campus. However, the administration office at SSE assists students with information regarding the accommodation available in the hostel and the vicinty.

Health Care Centre
Symbiosis Centre for Health Care (SCHC) is an in-house Health Care Centre exclusive to the staff and students. The SCHC has a team of specialist doctors who conduct the (compulsory) annual check-up. Outpatient treatment is provided to the students by the medical officer of SCHC stationed in our campus. Each student is insured under Mediclaim and the Traffic Accident policy.

Other Facilities
- The campus at Symbiosis School of Economics is Wi-Fi enabled.
- A state-of the art auditorium with a seating capacity of more than 500 students
- An air-conditioned Seminar/Conference Hall.
- A well-equipped gymnasium on the campus.
- The campus also has a Reprography centre and a Bank to facilitate the students.
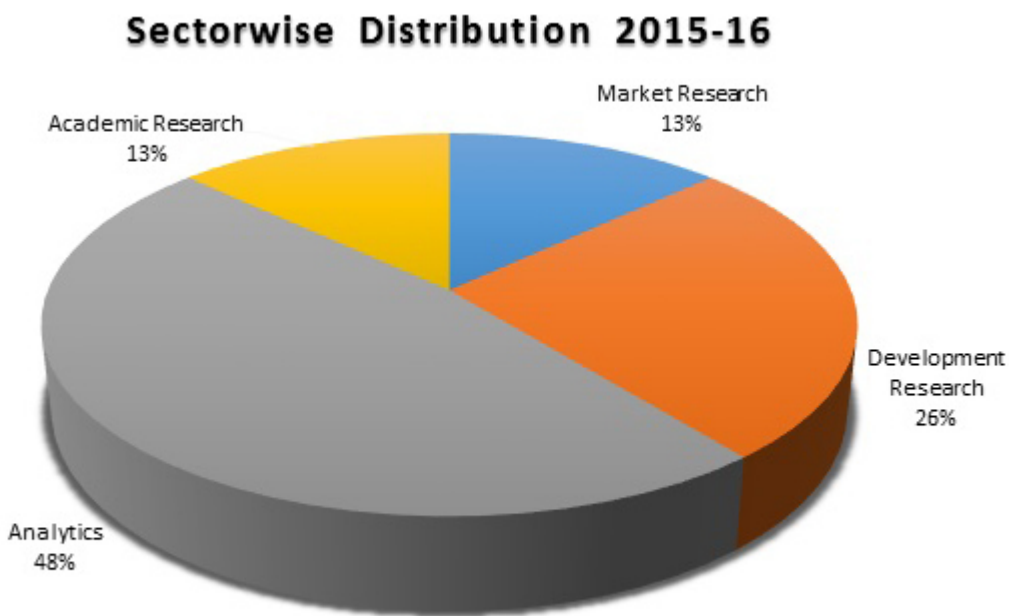

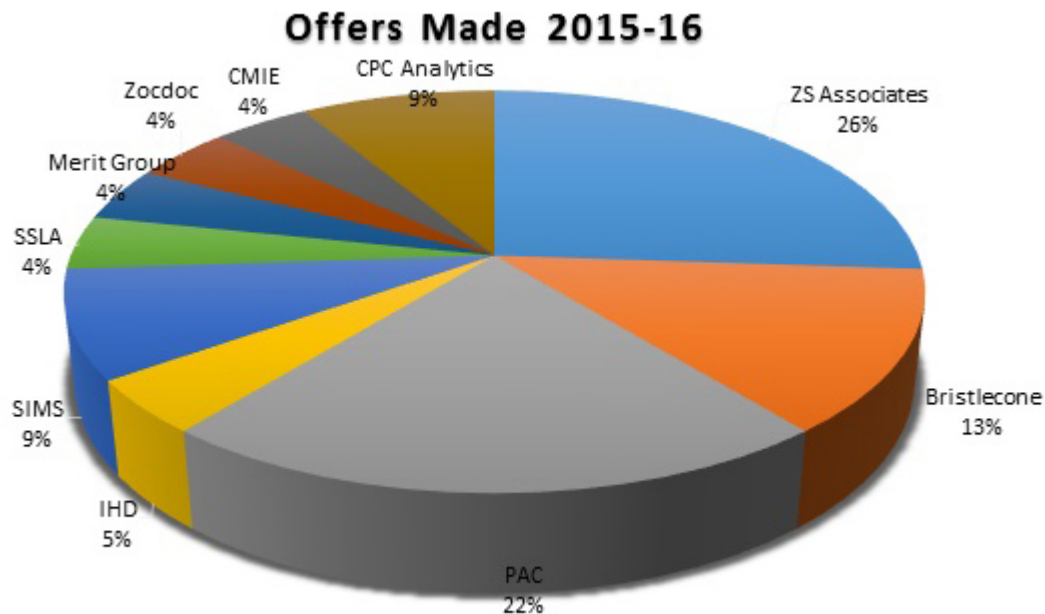

Clubs
Students at SSE come from all over the country and abroad, thereby allowing for a remarkable exposure to different cultures, regions, traditions and languages. We have 20 exciting clubs brimming with activities. Joining a sports club or a debating society can be a great way to meet new people and is also a fantastic way to become part of the student community at SSE. The Students' Council along with the faculty organizes a number of events throughout the term for the purpose of overall development of students which includes the official college fest "Laissez Faire" as well as other activities.

Programmes offered: B.Sc. (Economics) Honours and M.Sc. (Economics).
B.Sc. (Economics) Honours is a full time, three year graduation programme, which not only offers a wide array of economics, mathematics and statistics modules but also provides the students with an opportunity to study courses related to Accounts and Finance, Environmental Economics, International Relations, Public Policy and Administration, Research Methodology, Business Law, etc. to ensure a more holistic and interdisciplinary approach. This helps students develop critical thinking, logical analysis and deep understanding of crucial economic issues. We aim at creating a class of graduates in Economics who would be equipped not only with the strong foundation of economic theory but also with skills required to tackle and analyse the real world economic and business issues.

PLACEMENTS 2015-16

This year again, many of the companies which visited for campus recruitment have been hiring from SSE for the past few years. New recruiters are CPC Analytics, Zocdoc and Merit Group UK. The average package offered to BSc and MSc graduates has increased this year.
Offers Made 2015-16

ZS Associates 26%
Bristlecone 13%
PAC 22%
IHD 5%
SIMS 9%
SSLA 4%
Merit Group 4%
Zocdoc 4%
CMIE 4%
CPC Analytics 9%

Sectorwise Distribution 2015-16

Market Research 13%
Academic Research 13%
Development Research 26%
Analytics 48%

PEDAGOGY (METHOD OF INSTRUCTION)

At SSE we have adopted a multi-pedagogical approach .It incorporates lectures, case studies, library assignments, project work, industrial visits, research projects, presentations, conferences and talks given by guest lecturers, and other innovative instruction methodologies. In short, we concentrate on problem based and experiential learning through live projects and fieldwork which are supported by e-learning tools, software and hands-on research.

PROFILE OF PAST STUDENTS.

The SSE students have a pan-India presence with international students coming from more than 10 nations across the globe.

BSc (Economics) Hons. Student Profile for the year 2016-17

SYMBIOSIS INSTITUTE OF TECHNOLOGY (SIT), PUNE

Infrastructure/Facilities : Symbiosis Institute of Technology (SIT) is located at Lavale, Pune at the foot hills in Symbiosis Knowledge Village which also houses Symbiosis International University. The Institute possesses State-of-the-art infrastructure including spacious classrooms with multimedia, well-equipped laboratories, auditorium, seminar rooms, amphi-theatre, conference rooms, canteen and common rooms for students. The hostels are well-constructed & spacious with WiFi and all necessary amenities, playgrounds, gymnasium, facilities for indoor games like TT, squash, badminton, billiards and a food court, all with round the clock power supply.

Besides the well developed infrastructure, the pleasant weather of Pune makes stay on the campus, comfortable and conducive for learning.

Programmes offered

- **B.Tech** in Civil Engineering, Computer Science & Engineering , Electronics & Telecommunication Engineering, Information Technology, and Mechanical Engineering (Admissions through SET, JEE-Main or MHT-CET)

- **M.Tech** in Computer Aided Design & Manufacture, Computer Science & Engineering, Electronics & Telecommunication Engineering and Geoinformatics & Surveying Technology

- **Ph.D.** Programme (Applied Sciences, Civil Engineering, Computer Science & Engineering, Electronics & Telecommunication Engineering, Information Technology and Mechanical Engineering)

Placement

The Institute has a very well organized placement and training cell. The infrastructure in placement cell includes a seminar hall for conducting pre-placement talks, discussion rooms, interview rooms and other necessary amenities. The cell has good associations with a large number of renowned companies who visit the institute for campus recruitments. All the students of the final year are prepared for campus interviews through special programmes on technical and soft skills, which would help them get prestigious jobs. SIT had a successful placement season with the participation of leading companies across sectors, offering coveted profiles to the students of B.Tech and M.Tech. Leading companies from a multitude of sectors participated in the final placements offering 'sought-after' profiles with competitive packages. With multiple profiles on offer, students had plentiful options from amongst the 62 companies for 205 students across programmes. The recruiter portfolio comprised a healthy mix of recruiters from IT sectors and fast growing start-ups. Further, few students, with their exceptional effort during their Internships and reputed corporate competitions were awarded PPOs (pre placement offers) by highly coveted companies.

Year 2016, marked the presence of 60 companies which include top IT recruiters like Amdocs, IBM, Persistent, Syntel, TCS and some Fortune 500 companies like Amazon, Pitney Bowes Software India, Nvidia and Tetrapack. Other recruiter companies of repute include 3DPLM, Anand group, Cadence, Cummins India, Decimal Point analytics, Geisecke and Devrient, HDFC Bank, Konecranes, Mahindra vehicle Manufacturing Ltd, Manhattan Associates, Media Ocean, Netcracker, Open Symmetry, PLM, Renishaw, Siemens, Sokrati Technologies, Symantec corporation, Veritas, Zeus Numerix etc. Rakuten Inc. (Japan), an International Company also recruited students from SIT.

The Placement process of 2017 batch of B.Tech and M.Tech students has been initiated. Several companies of repute like Decimal Point Analytics, Directi, GOOGLE India, IBM, L&T Infotech, Microsoft, Persistent, Rakuten Inc. (Japan), Rail bombardier; Symantec, Sokrati and Veritas Software India have already been a part of the process.

Pedagogy (Method of Instruction): The Institute employs a very effective and interactive teaching-learning process using teaching aids including multimedia. Curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed blow ups, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a six month project semester, totally devoted to carry out projects in industry. Students of all under-graduate programmes spend six months in the industry, other organizations, renowned institutions and universities, both in India and abroad, as a part of their curriculum. They are encouraged to take up projects in various areas of the industry to augment their theoretical learning. The emphasis during the 'Project Semester' is to expose the students to real life

problems in their chosen field of work and finding their solutions, using a systematic and logical approach employing latest tools, techniques and technologies.

All students of SIT can opt for and qualify a special Diploma in Business Management from Symbiosis Institute of Business Management, a premier Institute of Management in the country. This arrangement gives the students an insight into basic functions of management like marketing, finance, human resource and operations, in addition to polishing their communication and interpersonal skills. In an effort to create engineers with a multi–faceted skill set and global outlook, students are also encouraged to take courses in other departments under "Floating credits". Under this scheme, an engineering student can pursue his interest in the fields of management, liberal arts, photography, etc along with his B. Tech Degree.

Profile of Past Students: Four batches of B.Tech students have passed out. About 85% of the eligible students opted for campus placements and got them. They are now the proud employees of reputed companies like Atos, Forbes Marshall, Infosys, Indian Army, Indian Navy, Kirloskar Brothers Ltd., Mahindra and Mahindra, Marathon Electric, Mu Sigma, Persistent, Pubmatic, Symantec, Synechron, and so on. Many students are pursuing their higher studies in India or abroad. The Alumni Association maintains a data of the passed out students and remains in regular contact with them.

Career Prospects: Students of SIT benefit from special programmes on entrepreneurship, liberal arts and soft skills aimed at developing all round personality. These programmes, along with rigorous technical education and regular interactions with industry through internships and projects, place them at a distinct advantage when they enter the job market. With six month internships and other initiatives the contact with the industry has considerably increased. This is resulting in better career prospects.

Eligibility

Indian Students
- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject
- Obtained at least 45% marks (40% in case of candidates belonging to SC/ST category) in the above subjects taken together

Good score in an entrance examination like SET (Symbiosis Entrance Test), JEE-Main or MHT-CET conducted in the year 2017.

International Students (Foreign Nationals /Non Resident Indians/PIO)
- Passed 10+2 examination with Physics, Mathematics as compulsory subjects along with one of the Chemistry / Biotechnology / Biology / Technical vocational subject.
- Obtained at least 45% marks (40% in case of candidates belonging to SC/ST category) in the above subjects taken together. Do not have to appear for entrance exam (SET/JEE-Main/MHT-CET) in India.
- International student's eligibility as per SCIE norms. Please follow link www.scie.ac.in

Intake

1. Civil Engineering- 60 Seats
2. Computer Science & Engineering- 60 seats
3. Electronics & Telecommunication Engineering- 120 Seats
4. Information Technology- 60 Seats
5. Mechanical Engineering - 120 seats

Reservation of seats

Reservation within sanctioned intake	Over and above sanctioned intake
Scheduled Caste: 15%	Kashmiri Migrants: 2 seats
Scheduled Tribe: 7.5%	International Students (NRI/foreign/PIO): 15%
Differently able students: 3%	

Important dates related to the Institute

Symbiosis Entrance Test 2016: May 06, 2017

The admissions of the eligible candidates to First Year of B. Tech programme of the Institute will be based on merit in any one of the following entrance exams (SET, JEE (Main), MHT-CET) through open counseling/admission, in which the candidate has to be physically present on the date of counseling/admission along with his/her original certificates. The details of the counseling / admission procedures and documents required will be available on the institute website.

Counseling dates for admission through various entrance examinations

SET candidates:	June 4, 2017
JEE (Main) candidates & MHT-CET:	June 11, 2017
Second Counseling (based on availability of vacant seats):	June 25, 2017
Date of Commencement of session:	July 3, 2017

The above dates have been decided based on the expected dates of the respective entrance exams and declaration of their results. **However, the counseling dates are liable to change as a result of a change in the date of entrance exams and/or declaration of results. All applicants are requested to visit the Institute website for any update on counseling/admission dates.**

Symbiosis Law School [SLS], NOIDA

Introduction:

Symbiosis Law School, NOIDA in just Seventh year of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International University, it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India. SLS-NOIDA is strategically located in the industrial hub of NCR thereby opening up a plethora of opportunities for the budding lawyers.

SLS-NOIDA strives towards supplementing reforms in the field of law; to groom students to become the unified face of our legal fraternity, to produce knowledge disseminators and to produce individuals who are the torchbearers of the legal system of the country. Our effort is aimed at producing an intellect that believes in reforming rather than punishing and has the potential of hoisting the flag of truth and justice in an unfailing manner.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Environmental and Social Welfare Cell, Cultural Cell, Sports Cell, Debate Society, Literary Society and International Law Students Association (ILSA) Chapter & Enactus Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA. SLS-NOIDA organizes weekly lectures under the banner of 'Extension Lecture Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career (To know more visit http://symlaw.edu.in/extension-lecture).

SLS-NOIDA's strive for 'International Understanding through Quality Education' is proven by conduct of in workshops/seminars/conference/moot court with academic and professional partners of National and International repute which includes**: National Conference on Interlinking of Legal Aid Centers: April 19, 2016:** In association with National Legal Services Authority (NALSA); **General Counsel Manthan 2016 and India International Legal Conclave: August 12-15, 2016:** In association with Corporate Counsel Association of India (CCAI) at Thimphu, Bhutan; **Sadgamaya-Symbiosis Law School, NOIDA GST Lecture Series, 2016: August 20 and September 03, 2016:** In association with Sadgamaya**; Seminar on Competition Law and Its interface with Enterprise: October 05, 2016:** In association with Alumni of King's College London. In addition, it has established mutual cooperation including faculty and student exchange with Institutes/Universities of international repute including **Michigan State University School of Law –USA, Northumbria University School of Law- UK, Berlin School of Law and Economics – Germany and Osgoode Hall Law School, York University, Canada (in the pipeline).** It

also has instituted International Law Student Association (ILSA) Chapter in 2013; and Enactus Chapter in 2014. Enactus Symbiosis Law School, NOIDA is proudly associated with Enactus Macquarie University, Sydney in their project 'Asha Ki Kiran' which aims at empowering the female acid attack victims by improving their livelihood. They also have won 'KPMG' and 'Wal-Mart' grants for their projects.

SLS-NOIDA strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, Case analysis/discussions and legal web bases. The learners at SLS-NOIDA are adept at courtroom etiquettes and advocacy skills through courtroom and related exercises such as Moot Court, Mock Trials, Drafting of Pleadings and Client Counseling. (To know more about the achievements, visit http://symlaw.edu.in/achievements-cc/moot-courts). Mooters have, as a result, won several accolades for the Law School including India's representation in 21st Annual International Environmental Moot Court Competition International Finals to be held in Gulfport, Florida - USA at the end of March 2017 by SLS NOIDA team – Mr. **Mr. Shreyas Edupuganti, Mr. Prayank Jain and Ms. Madhavi Agarwal.**

Research is the culture on which tomorrow's professionals at SLS-NOIDA thrive. **In 2014-2016,** in total **309** research papers of learners have been accepted for presentation and/or publication at number of National/International Seminars /Conferences/Workshop/Symposiums/ Round Table Conferences. (To know more, visit http://symlaw.edu.in/achievements-cc). In addition, reports on varied research projects were published and released including **- Research Project 'Empirical Study on Implementation of Wildlife Protection Laws in India'** on October 08, 2016 at the hands of Hon'ble Mr. Justice Shiva Kirti Singh, Judge, Supreme Court of India which includes analysis of Data collected from around two hundred District Courts during the period 1990-2010; from more than one hundred Forest Divisions, from the O/o Chief Conservator of Forests of various states, and from Wildlife Crime Control Bureau and further from 'appeals' that were filed before various High Courts in India. (To know more about Publications, visit http://symlaw.edu.in/publications)

SLS-Noida also makes ample use of technology for the benefit of its learners. Called The Curiosity Project, it is the first of its kind where online systems have been used for meaningful administrative automation and improved learning methodologies.

Infrastructure / Facilities:
Learning is an experience at SLS-NOIDA supported by its state of the art research support systems and resources enabling learners to pursue excellence in becoming the torchbearers of law.

Lecture Halls: SLS-NOIDA has state of the art 18 techno smart and spacious air-conditioned classrooms, fitted with high tech learning aides such as Projectors, Public Address System, Collar Mikes and Wi-Fi facility. The lecture halls are well engineered to reduce noise, efficient ventilation, air-cooling as well as an exterior trellis designed to maximize shade.

Library: To support the dynamically evolving curriculum of Symbiosis Law Programme, along with traditional print resources including vast collection of books, journals, periodicals and magazines, the fully air conditioned library is equipped with the best and the most updated electronic sources and technologies. It houses peaceful reading hall, research section for Mooter's Society, Online database search and research, issues and references sections, Book Bank and a compilation room.

It supports and benefits learners from privilege of **Text book Gifts:** one for each course in every semester for the life time; **Book Bank:** one text book for each course for the semester; **Home Lending:** two books for 07 days; Reference: any number with in campus on library card; **Study Material:** Study material prepared by course in charge/s. Additionally, it

such as Legal databases (AIR, SCC Online, Manupatra, WestLaw India, HeinOnline, JSTOR, ProQuest, Kluwer Databases (Kluwer Arbitration, Kluwer Patent, and Kluwer Competition), Ebrary, Case Centre, International Taxation – Taxman, Emerald Management e-Journals and EBSCO), Litigation Documents, Moot Court Memorials, Course Books, Research Papers, National & International Journals.

Moreover, *The Library* is an application provided under **Curiosity** where learners can access class notes, presentations and interesting online videos or articles for further study under each of their subjects. This portal is collaborative, so learners (even parents) can share any content they find interesting with each other. As every year passes, this online library keeps growing in its database, providing new batches with lots of additional content to supplement their knowledge. The Library is completely open, so students can access content from other subjects or years to satiate their curiosities.

Moot Court Hall**:** Mooting as an activity aims to inculcate and improve the research, presentation and line of reasoning into students so as to equip the budding pleaders with all the court room etiquettes, research experience and advocacy skills. This initiative is well supported by a fully air-conditioned, tech-acoustic, and 220 capacity moot court hall equipped with proper judicial settings. Therein the presentation and reasoning skills of students are screened and notified about the areas of improvements on a regular basis.

Conference Room**:** SLS-NOIDA has well-furnished techno acoustic, and air-conditioned conference room, which can accommodate 50 people. It is widely used for conducting interactive sessions, seminars, and workshops.

Cyber Lab: SLS-NOIDA encompasses three fully air conditioned state of art Computer Labs - Lab-I: 42 seater; Lab-2: 22- seater, Lab-3 – 20 seater. All these computers have Core 2 Duo Processors with 2 GB RAM, genuine software packages such as Windows7 Operating System, equipped with Microsoft Office 2010 Pro Plus, Symantec Endpoint Protection 12.1. All computers in these labs are connected through Gigabit LAN and controlled from the Server-Room of SLS, NOIDA; allowing excellent Internet connectivity at all points.

It supports research, training and learning initiative amongst learners by providing access to various online databases including **AIR, SCC Online, LexisNexis, Manupatra, WestLaw India, HeinOnline, JSTOR, ProQuest, Kluwer Databases (Kluwer Arbitration, Kluwer Patent, and Kluwer Competition), Ebrary, Case Centre, International Taxation – Taxman, Emerald Management e-Journals, Case Centre & EBSCO**.

Students' Activity Centre: SLS-NOIDA strongly believes in strong and positive participation of students in the learning initiatives. It supports and enables students through various cells such Research & Publication Cell; Moot Court Society, Symbiosis Legal Aid Clinic, Training & Placement Cell, Environmental and Social Welfare Cell, Cultural Cell, Sports Cell, Debate Society, Literary Society, International Law Students Association (ILSA Chapter) and Enactus Chapter. Each cell is provided with its own office spaces fitted with all aids including computer, Internet, printers and support systems at all levels.

The Amphitheatre, under Curiosity, tracks official notices and events at the campus. Students can also reach out to each other for projects, games, trips, exchanges, and any such friendly collaboration using the application.

Girls Hostel: SLS-NOIDA has added a much-needed girls' hostel facility, on campus - just behind the academic block in the campus (Limited Seats) maintained and managed by Symbiosis Society. The residence is a model for comfort living and learning for our students. It consists of spacious living areas with Wi-Fi facility and an *en-suite* bathroom. Common spaces are large, airy and designed to foster work and socializing in comfort.

Health Services and Health Insurance: Symbiosis Centre of Health Care (SCHC) has an excellent Health center, manned by qualified and experienced Doctor to provide emergency health services. All students are covered under a unique and novel medical insurance scheme. Modern and well-equipped gymnasium is currently under construction in campus.

Programmes Offered
Under Graduate:
BA.LL.B and BBA.LL.B (Five Years Integrated Programme)

Methods of Instruction: English is the medium of instruction at SLS-NOIDA. Methods of instruction include interactive Lectures, Seminars, Group Discussions, Simulations, Plays, Case Studies, Moot Courts, Mock Trials, Small Group Workshops and TV-talk shows. In addition, under the 'Extension Lecture Series' banner, inspirational and instilling talks of legal luminaries on weekly basis are regular features.

The Flipped Classroom concept is employed regularly where doubts, questions for general debate, and polls are posed on The Banyan Tree, an application under Curiosity. Learners are encouraged to participate by asking posing such questions or providing opinions, and perspectives where they can. The results are then discussed in the classroom in the presence of the teacher who acts as a moderator. The Flipped Classroom initiative ensures that learning transcends the boundaries of the classroom and can happen at any time using the Internet.

Using Curiosity, Learners can also keep close track of their performance in attendance and tests to keep improving. Such information is also available to *Angels* – parents, guardians, siblings, and mentors who have an interest in a child's progress.

The Method of Assessment:
The CGPA method of assessment is followed. In addition to the ongoing internal assessments, an external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum 2 of the following: Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. External examination is characterized by objective and subjective questions.

Regular surprise tests (online mode) will also be conducted starting from the academic year 2017-18 using Curiosity, where the students have to complete automated quizzes to test and brush up their theoretical and applied knowledge.

Placement
It is mandatory on every student from the first semester itself to undergo training during the winter and summer vacation, record of such daily work is recorded in the Internship diary provided to each student, which is later submitted to the SLS-NOIDA. Throughout the year, the Training and Placement Cell organizes training programmes to endow and improve the students with the best combination of managerial and leadership skills, to inculcate among them the courtroom or office etiquettes, research experience and advocacy skills. SLS-NOIDA provides all the facilities at all levels to assist the students for Internship and placements in offices of Advocates & Solicitors, Corporate & Cooperative houses, Tribunals & Commissions, Non-Governmental Organizations, National & Multinational Corporations, Media, Telecommunications & Entertainment industries and Judicial clerkship. The Training and Placement cell functions throughout the year and remains in touch with the aforesaid establishments through SIU alumni base. A specialized placement application under Curiosity tracks each learner's career related progression in skills and knowledge and helps the cell be efficient in their operations.

Career Outlook
SLS-NOIDA students are systematized as per the programme structure from the first semester itself to equip them with the right mix of knowledge and skills, to be compatible to handle professional challenges. SLS-NOIDA is in communication with and holding diverse programmes of teaching, training and placement in and outside the campus with the strong global alumni network of SIU.

BA.LL.B and BBA.LL.B (Five Years Integrated Programme)
The candidate should have passed 12th (10+2) standard examination from any government recognized board with minimum **45%** marks (40% for S.C. / S.T. student) in one attempt only (No Compartment / Supplementary). Symbiosis School for Liberal Arts

Symbiosis School for Liberal Arts is the first Liberal Arts College in India, with over a decade's worth of experience in bringing innovation to education. The BA and BSc Liberal Arts Degrees offered at SSLA adapts the well-established international ideology of Liberal Arts education tailored to the Indian scenario. Through a multidisciplinary approach, students are equipped with the technical, academic and practical knowledge to excel at their future careers.

The Symbiosis School for Liberal Arts offers students the opportunity to study either a four-year full-time Bachelor of Arts (Liberal Arts Degree) or a Bachelor of Science (Liberal Arts Degree) programme spanning eight semesters. The liberal arts programme offers students a wide range of courses across all disciplines with the freedom to pick and choose major and minor areas of specialization from areas conventionally considered to be academically incompatible.

1. **Infrastructure / facilities**
   a. **Library**
      SSLA's library is growing rapidly and contains books providing information and reference material in all the different disciplines in the programme. A well-equppied Reading Room provides access to the students to journals and magazines– both online and print. Additionally, students and staff have membership to the British Council Library and the library of the Gokhale Institute of Politics and Economics. They also have access to the libraries of all the other institutes of Symbiosis.
   b. **WiFi**
      The SSLA campus is Wi-Fi enabled and students can access the Internet any time during college hours for educational purposes, research and communication
   c. **Computer Lab**
      The Computer Labs at SSLA are fully equipped with the latest hardware, LAN internet access, and printers.
   d. **Classrooms**
      Classes at SSLA usually require dyamic seating arrangement and therefore sports modular furniture. All Classrooms are equipped with LCD projectors and audio systems. We also have a Newsroom and Studio for students.
   e. **Hostel**
      Limited hostel facility for girls is available on campus. Additionally, the institute provides a list of approved Paying Guest Accommodation and third party-hostels nearby.
   f. **Sports and Fitness**
      Students have the opportunity to use the sports and fitness facilities available at the various Symbiosis Campuses around Pune. These include a fully equipped fitness gym and a swimming pool in addition to other shared sporting grounds and facilities. There is a fully equipped Symbiosis gym and health care centre at SSLA.
   g. **Cafeteria and Mess**
      Within our campus, students have access to a full-fledged canteen/cafeteria. Most students staying on residence use the mess facility at the Symbiosis hostel. The canteen within the campus serves a variety of snacks, drinks and meals.

2. **Programmes Offered**
   SSLA's programme is modelled on internationally valued models, carefully adapted to suit Indian academic and Industry requirements. Our programme offers students a wide range of coursework with the freedom to choose Majors and Minors across disciplines. Unique combinations like Biology and Economics will help students excel in fields like Health Economics, Policy Making, Pharmacare etc.
   Guided by this philosophy, SSLA offers students the opportunity to study a 4-year fulltime Bachelor of Arts (Liberal Arts Degree) or Bachelor of Science (Liberal Arts Degree) programme covered over eight semesters (i.e., 4 years).
   a. **Bachelor of Arts (Liberal Arts)**: Economics, Business Studies, Media Studies, Sociology, English, Psychology, Political Science & Public Policy, Anthropology, Philosophy or International Relations
   b. **Bachelor of Science (Liberal Arts):** Biology, Mathematics & Statistics, or Computer Studies
      Along with the student's chosen field of Major and Minor, the programme includes compulsory courses dedicated to develop the student's core competencies and a basket of electives to choose from. Over the four years, students earn over 200+ credits with:
      19 core (compulsory) courses + 8 general (electives) + 1 Minor specialization subject (6 papers) + 1 Major specialization subject (10 papers).
      The programme also builds in 1 research dissertation + 1 final year seminar paper + 1 internship + 1 community outreach programme.

This comprehensive approach to undergraduate education ensures that students not only specialize in their field of study, but garner additional skills in areas like research, interpersonal communication, analytical and critical skills, which will mould them into socially-conscious citizens who are successful in their respective fields.

3. **Placement**:
   a. **Career cell**
      SSLA has a career cell to carry out programmes which will facilitate the easy progress of SSLA students into a career path of their choice. The Career Cell facilitates the internship, placements and higher education requirements of the students. It also conducts workshops and career-counselling sessions to help the students choose their major/minor areas of specialization.
   b. **Alumni**
      The alumni of SSLA are pursuing their Masters in prestigious universities in India and abroad. Some of our students are at – Australian National University, Johns Hopkins University, King's College London, London School of Economics, Los Angeles Film School, National School of Journalism Bangalore, Indian Institute of Psychology and Research, OP Jindal Global University, Mumbai University. A number of them have been placed in firms like Uber, Gateway House, The Times Group, Global Educations Solutions, Red Ice Film Productions, Teach for India, Mullen Lowe Lintas to name a few. Some of our Alumni have also set up their entrepreneurial ventures.

4. **Eligibility**
   Students graduating 12th from National / State Board and Non Resident Indians (NRI) students appearing for their 12th examinations in India are eligible. Symbiosis Entrance Test (SET) is mandatory for all applicants. The sudents must have passed XII (10+2) from any branch with minimum 50% marks for the general category and 45% for students of SC and ST category.
   Diploma holders of International Baccalaureate (IB) (IB Diploma Students with predicted scores also) may apply. Since the IB final exams clash with the SET exam dates, they will appear for a SET-like examination on the day of their PIWAT at SSLA. They will pay the SET registration fee as do other students.
   *Foreign Nationals (FN), Persons of Indian Origin (PIO) & NRIs must apply through the Symbiosis Center for International Education (SCIE) – www.scie.ac.in

5. **Intake**
   The intake per academic year is 100, which is subject to reservation policies of SIU. The intake of International Students and Kashmiri Migrants is over and above the sanctioned intake, as per SIU policy.

Symbiosis School of Culinary Arts (SSCA)

Symbiosis School of Culinary Arts (SSCA) is a constituent of Symbiosis International University, founded in 1996, and is the first school fully dedicated in offering qualifications in culinary science and arts in the country. SSCA is established with a view to cater to the need of the Food industry to have specialized culinary professionals.

Food service is among the fastest developing sector in the world. With the Indian food industry growing at 11 % annually, it is expected to touch Rs. 408,040 crores by 2018. This projected growth is expected to throw open many opportunities for Indian students to pursue career in food service industry. During the last decade, culinary has emerged as a preferred career option in the food service industry.

It takes a well-rounded and planned education to run a food service operation. Along with knowledge of culinary arts, it is also important to know how to manage people, control costs and attract customers in order to succeed in this increasingly competitive industry.

Keeping in view the increasing demand for specialized programme in Culinary Arts, SSCA offers a three- year, full-time B.SC programme in Culinary Arts. This BSc Culinary Arts degree programme prepares students for a wide range of career options such as Chefs, Chef Managers, food critics, food photographers, entrepreneurs, concept developers for health foods, culinary advisors and Celebrity Chefs.

The programme is highly interactive and practical oriented. Master Chef Sanjeev Kapoor is the Chair Professor of this school and has team of professional chefs to train youngsters for a skilled and grueling culinary profession. SSCA offers its students the most conducive environment for studying and research. Seminars by celebrity chefs, workshops, summer projects and industry visits are incorporated as part of academics. SSCA also focuses on the personality development of the students and grooms them for future challenges in life.

Symbiosis believes in industry and academia interaction at all stages of student development and as a part of our curricula, the students undergo well planned and monitored internship in collaboration with leading hotel and food industry organisations.

Innovation in culinary field, adaptability, business ethics and social responsibility are emphasized to develop students into becoming leaders as well as responsible citizens.

Vision

Promoting International understanding through quality education

Mission

- · To inculcate spirit of 'Vasudhaiva Kutumbakam' (The world is one family)
- · To contribute towards knowledge generation and dissemination
- · To promote ethical and value-based learning
- · To foster the spirit of national development
- · To inculcate cross cultural sensitization
- · To develop global competencies amongst students
- · To nurture creativity and encourage entrepreneurship
- · To enhance employability and contribute to human resource development
- · To promote health and wellness amongst students, and the staff & community
- · To instill sensitivity amongst the youth towards the community and environment
- · To produce thought provoking leaders for the society

Infrastructure

Culinary Labs: SSCA have state of the art and highly sophisticated culinary labs, each dedicated to specific learning by the students. All our kitchen labs and the support areas, spread over 12,000 sq ft area, have been designed specifically like professional kitchens, replete with modern and latest equipment for practical learning.

- • Foundation Kitchen Lab

- Bakery Lab
- Chocolate and Confectionery Lab
- Demo Kitchen Lab
- Receiving Area and Dry Storage Area
- Walk-in Cold Room and Deep Freezer
- Walk Through Corridors and Food Display
- Training Restaurant
- Demo Bar/ Coffee Bar

Class rooms: SSCA has spacious theory classrooms with LCD projector, facility of collar mikes and a public address system. Ours is a fully Wi-Fi enabled campus.

Library and Reading Room: Our library houses some of the finest collections of Culinary Books and course specific books, culinary history books, books on Sociology and Anthropology of Gastronomy, Food and Nutrition, food related periodicals, journals, newspapers, hygiene and sanitation training CDs & DVDs, etc.

Audio Visual Room and Conference Hall: For presentations by corporate representatives during conduct of workshop for placement, or for presentations by faculty and non-teaching staff members we have an Audio Visual Room. For the purpose of conducting meeting/discussions a separate Conference Hall is available.

Canteen, Mess, Hostel and Campus facility

Cafeteria – The campus houses a cafeteria which serves multi-cuisine food.

Mess - The campus has a mess, which serves vegetarian as well as non- vegetarian breakfast, lunch, evening snacks and dinner.

Hostel – At Present, hostel has triple bed sharing, well furnished rooms with Wi-Fi facility, hot and cold water facilities throughout the day, attached bath and toilets, generator backup, indoor games/recreations rooms with TV, guest rooms, housekeeping and round-the clock security. Because of shortage of accommodation facilities, hostel is allotted on the basis of first-come first-serve basis.

Convenience store – The campus has an in-house convenience store for access to necessities.

Reprography Centre – The campus has a reprography center which helps students with supply of necessary stationery, photocopying and print facilities.

Gymnasium – The campus has a gym set up with all latest equipment.

Outdoor sports facility- Outdoor sports facility for playing basketball, volleyball, football and cricket are available within our campus area.

Health Care Centre - We have a health care center on campus with one doctor and medical staff. The students use this facility to undergo their health checkup every year.

ATM - ATM in the campus for the facility of students, faculty and staff.

Café Coffee Day has installed an outlet on the campus, which serves coffee and, snacks to students.

Programmes offered

Bachelor of Science- (BSc) Culinary Arts

Symbiosis School of Culinary Arts offers three years BSc Culinary Arts programme as a non-residential course under the aegis of Symbiosis International University. The programme prepares students for the wide and ever growing culinary profession. The programme is highly interactive and practical oriented. Master Chef Sanjeev Kapoor is the Chair Professor of this school and has team of professional chefs to train youngsters for a skilled and grueling culinary profession. Symbiosis believes in industry and academia interaction at all stages of student development and as a part of our curricula, the students undergo well planned and monitored internship in collaboration with leading hotel and food industry organisations.

Orientation and Pedagogy:

The study of fact, theory and concept is not sufficient to educate a culinarian. The individual

practice them. Culinary Skills are a great combination of the art and science and these skills can only be learned in practice.

Pedagogy at SSCA, Pune is largely based on this principle and is a mix of many learning methodologies. Apart from the usual chalk-n-talk, there is a conscious effort to make the sessions interactive by using case studies and references of latest developments in the culinary field. The pedagogy at SSCA is designed to incorporate the appropriate practical components to have a thorough grounding in the art and science of culinary preparation.

In addition, students are encouraged to undertake multiple hands-on projects to hone their research and analytical skills. Latest state-of-the-art equipment and techniques are used wherever possible. Ample guest lectures are organized by inviting Specialists Chefs and Leading Celebrity Chefs for classroom inputs and demonstrations. Field visits to relevant areas of culinary skills are also a regular feature. SSCA also offers an opportunity to the students to get a first-hand feel in growing and management of the herb garden and food shows.

Methods of Instruction

The Institute strongly believes in interactive learning through lectures, practicals, workshops, industrial visits, case studies, project work and field trips, research projects, internships and simulations.

Profile of students

An important principle at Symbiosis is commitment to diversity. The difference in opinions, convictions, economic background, gender, colour and nationality brings life to our campus community and fosters tolerance. The environment causes intellectual churning and therefore brings out the best in our students.

Career Prospects

After completing the programme students can pursue higher education in any of the premier management institutes in India or abroad. Students who do not wish to pursue further studies will have placement opportunities in various areas such as Finance, Marketing, Sales, Human Resource Management and Environmental Management. One of our important aims is to capacitate and motivate our students to be budding entrepreneurs.

Admission Process- SSCA

For Cambridge, HSC, ISC, CBSE, NIOS, Respective State Boards Curriculum Students

For Students graduating 12th from India (Cambridge, HSC, ISC, CBSE, and Respective State Boards) the applicant is required to undergo the Symbiosis Entrance Test (SET). The SET exam is mandatory to qualify for next stage in admission to SSCA. Please log into http://www.set-test.org/ for registration. You have to pay Rs.1500/- as SET registration fee.

Or

If you have appeared for National Council of Hotel Management and Catering Technology (NCHMCT)-JEE 2017 and have secured ranking then you are exempt from appearing for SET. Your JEE rank will be considered for next stage in admission to SSCA.

The applicant must fill out 'NCHMCT-JEE Rank holder students SSCA online application form'. This includes payment of Rs. 1000/- SSCA application fee. NCHMCT-JEE Rank holder students SSCA application deadline: 14th May, 2017

For IB Curriculum Students

IB students are exempt from appearing for SET in May. They will however appear for a similar test on the day of their PIWAT at SSCA.

The applicant must fill out the 'IB students SSCA online application form'. This includes payment of Rs.1500/- SIU Test Fee and Rs. 1000/- SSLA application fee. SSLA application deadline: 14th May, 2017.

All IB students will be called for the Personal Interaction & Writing Ability Test (PI-WAT) since they do not appear for SET. However, to make up for the SET, they will have to sit for a test on the day of the PI-WAT. This extra test for IB students will test applicants on roughly the same parameters as the SET, i.e. basic mathematics, analytical thinking and English language. This test will be in addition to the personal interaction & writing ability test.

For International Students (Foreign Nationals, NRI, PIO, and OCI):

International Students are exempt from appearing for Symbiosis Entrance Test (SET).

Please visit the Symbiosis Centre for International Education (SCIE) website for admissions details.

Click on the 'Undergraduate Admissions Procedure' tab under the 'Admissions' tab for complete details.

Please note that all international admissions are handled solely by SCIE and not by SSCA. For any information regarding / clarifications regarding the same, please contact SCIE on the email / phone numbers provided on their website. http://scie.ac.in
